

A Targeted Interpretation of the Revelation to John

**By Joe Schaffer
Dec. 29, 2006**

I have a bad memory, and in this an attempt to personally read an interpretive understanding into the Biblical book of Revelation has been difficult; since wrapping my mental understanding around the entirety of symbolism requires a far better ability to recall explanations that I am capable of. Hence this is a targeted interpretation of the Biblical book of Revelation (a.k.a. Apocalypse) in order to assist in this endeavor. I share it with others as I suspect I am not alone in this. Please do not confuse this with a translation. Rather than the readers mind supplying interpretive understanding to the textual reading, this work supplants the original words with the interpretive meaning, or in some cases adds interpretive clarity. This is not intended to replace the original text, as there is much more learning a person can derive from the inspired text, which entails very intelligent data compression in order to perfectly store the many lessons that can be found therein. Due to the nature of this work, it only offers a single dimensional view of the textual interpretive understanding.

Cautions: This method yields some varying results and is intended to support the current interpretive views on the book of Revelation by the Faithful and Discreet slave under Christ our King. *It would be unwise to attempt to extrapolate new interpretations based on this work*, as the interpretive expansions employed herein were very aggressive. One example of caution would be the case of one iteration of Revelation 7:4, where “And I heard the number of those who were sealed, a hundred and forty-four thousand, sealed out of every tribe of the [sacred and filial member of Jehovah’s universal organization] of [the Christian congregation]” becomes “And I heard the [144,000] of those who were sealed, a [entire body of the royal priesthood] [an exemplified indefinite number], sealed out of every tribe of the [sacred and filial member of Jehovah’s universal organization] of [the Christian congregation]”. Since this method ‘flattens’ the fuller understanding of the text, this does not indicate that the actual number of assigned rulers with Christ is vague, any more than מילא is the same as מיהלא; or $-(2x+1) = -2x+1$; ‘wind’ in “wind up a spring” is the same in “wind in the sails”; or $x^x = x * x^{x-1}$; after all this work is an extrapolation and not the original work. As a result this method produced some interesting or even awkward results. For a somewhat humorous example, note the end of Revelation 1:20, where an interpretive passage becomes redundant “and the seven lampstands mean seven congregations” becomes “and the [Godly complete] [congregations] mean [Godly complete] congregations”. Also in some cases there could be a simultaneous meaning, such as “do not harm the olive oil” in Revelation 6:6 could indicate either ‘luxurious living while ignoring the surrounding distressful situations’, or could mean ‘taking extra care with commodity foods due to shortages’. I had to pick one. Also, certain fringe meanings were extrapolated in this work, such as “Dead” becoming “Spiritually inactive”. While a living person can be spiritually active, a dead one cannot. Hence the typical understanding of physical death is supplanted with the spiritual death to enhance that nuance. Other results can be somewhat surprising, which are left to the reader to discover.

1 A revelation by Jesus Christ, which God gave him, to show his [servants for God] the things that must shortly take place. And [Jesus] sent forth his [messenger] and presented [this Revelation] in [symbols] through him to his [servants for God] John, ² who bore [exposed evidence] to the word God gave and to the [exposed evidence] Jesus Christ gave, even to all the things he saw. ³ Happy is he who reads aloud and those who hear the words of this prophecy, and who observe the things [proven by historical evidence] in it; for the appointed time is near.

⁴ John to the [Godly complete] congregations that are [everywhere]:

May YOU have undeserved kindness and peace from “The [one who in sovereignty inspires prophecy and in every detail fulfills them],” and from the [Godly complete] [full operations of holy spirit] that are before his throne, ⁵ and from Jesus Christ, “the Faithful [Expositor of Evidence],” “The [first human resurrected to heavenly immortal life],” and “The Ruler of the [human rulers] of the [human societies].”

To [Jesus] that loves us and that loosed us from our sins by means of his own [sacrificial death]—⁶ and he made us to be a [royal power], [instructor about God and his laws] to his God and Father—yes, to him be the [positive acknowledgement] and the [manifested power] forever. [So be it].

⁷ Look! He is coming with [invisibility], ⁷ and every eye will [discern] him, and those who [opposed] him; and all the tribes of the [human societies] will beat themselves in grief because of him. Yes, [this is true].

⁸ “I am the [only Almighty],” says Jehovah God, “the [one who in sovereignty inspires prophecy and in every detail fulfills them], the Almighty.”

⁹ I John, YOUR brother and a sharer with YOU in the tribulation and [royal power] and endurance in company with Jesus, came to be in the isle that is called Pat´mos for [boastfully claiming] about God and bearing [exposed evidence] to Jesus. ¹⁰ By inspiration I came to be in the [period from 1914 onward], and I heard behind me a [greatly authoritative] voice like that of a [godly summons], ¹¹ saying: “What you see write in a scroll and send it to the [Godly complete] congregations, in Eph´esus and in Smyr´na and in Per´ga-mum and in Thy-a-ti´ra and in Sar´dis and in Philadelphia and in La-o-di-ce´a.”

¹² And I turned to see the voice {as the Word of God} that was speaking with me, and, having turned, I saw [Godly complete] [Tabernacly pure] [congregations], ¹³ and in the midst of the [congregations] someone like [Jesus in Kingdom power], clothed with a {priestly} [dressing] that reached down to the [feet treading holy ground praising Jah], and [prepared to carry out his assignment] at the [whole-hearted efforts] with a [Tabernacly pure] [service to perform]. ¹⁴ Moreover, his [decision making leadership] and his [subjection to his scriptural head] were [Indicating ancient wisdom] as [pure, clean, and innocent] wool, as snow, and his eyes as a [sharp and alert] [Judging test]; ¹⁵ and his [feet treading holy ground praising Jah] were like fine [humans in the temple courtyard] when [example of faithfulness] in a [Scheme to reject God’s Kingdom and kill the Kingdom work]; and his voice {as the Word of God}, was as the sound of [groups of humanity]. ¹⁶ And he had in his [control and direction] [Godly complete] [elders], and out of his [decisive utterances] a [decisive utterance] was [issuing], and his countenance was as the [radiant splendor from having been in Jehovah’s presence] when it shines in its {governmental} power. ¹⁷ And when I saw him, I [suffered loss of prosperity while overcome by terror] as [spiritually inactive] at his [feet treading holy ground praising Jah].

And he laid his [control and direction] upon me and said: “Do not be fearful. I am the [first human resurrected to immortal spirit life and the last to be personally resurrected by Jehovah], ¹⁸ and the living one; and I became [spiritually inactive], but, look! I am living forever and ever, and I have the [authority to unlock] [culminating results of sin] and of [graves where humans await resurrection]. ¹⁹ Therefore write down the things you saw, and the things that are and the things that will take place after these. ²⁰ As for the [the preaching of the messianic Kingdom] of the [Godly complete] [elders] that you saw upon

my [control and direction], and [of] the [Godly complete] [Tabernacly pure] [congregations]: The [Godly complete] [elders] mean [the] [local elder bodies] of the [Godly complete] congregations, and the [Godly complete] [congregations] mean [Godly complete] congregations.

2 “To the [local elder body] of the congregation in Eph´e-sus write: These are the things that he says who holds the [Godly complete] [elders] in his [control and direction], he who walks in the midst of the [Godly complete] [Tabernacly pure] [congregations], ² ‘I know your deeds, and your labor and endurance, and that you cannot bear bad [human beings], and that you put those to the test who say they are [messengers with orders from Christ], but they are not, and you [discovered] them liars. ³ You are also showing endurance, and you have borne up for my [reputation’s] sake and have not grown weary. ⁴ Nevertheless, I hold [this] against you, that you have left the [love for Jehovah your God].

⁵ “Therefore remember from what you have [suffered loss of prosperity while overcome by terror], and [manifest sorrow with an intent to obtain God’s pardon] and [reawaken your love for Jehovah]. If you do not, I am coming to you, and I will remove your [congregation] from its [opportunity for action], unless you [manifest sorrow with an intent to obtain God’s pardon]. ⁶ Still, you do have this, that you hate the deeds of the [breakaway group] of Nic-o-la´us, which I also hate. ⁷ Let the one who [keeps listening intently] hear what the spirit {of God} says to the congregations: To him that [keeps their Christian identity pure and unspotted] I will grant to eat of the [eternal life], which is in the paradise of God.’

⁸ “And to the [local elder body] of the congregation in Smyr´na write: These are the things that he says, ‘the [first human resurrected to immortal spirit life and the last to be personally resurrected by Jehovah],’ who became [spiritually inactive] and came to life [again], ⁹ ‘I know your tribulation and poverty—but you are {spiritually} rich—and the [counterfeit representation of God’s Messianic Kingdom] by those who say they themselves are [God’s chosen nation], and yet they are not but are a [contracted assembly] of Satan. ¹⁰ Do not be afraid of the things you are about to suffer. Look! The Devil will keep on throwing some of YOU into prison that YOU may be fully put to the test, and that YOU may have tribulation [thorough earthly completeness] days {of Jehovah and Christ’s judgment and of fulfillment of divine promises}. Prove yourself faithful even to [culminating results of sin], and I will give you the [immortal life in heaven or for others eternal life on earth]. ¹¹ Let the one who [keeps listening intently] hear what the spirit {of God} says to the congregations: He that [keeps their Christian identity pure and unspotted] will by no means be [violently killed] by the [annihilation without hope of a resurrection].’

¹² “And to the [local elder body] of the congregation in Per´ga-mum write: These are the things that he says who has the [decisive utterance], ¹³ ‘I know where you are [actively holding power], that is, where the [nationalistic worship] is; and yet you keep on holding fast my [reputation], and you did not deny your faith in me even in the days of An´ti-pas, my [expositor of evidence], the faithful one, who was [martyred] by YOUR side, where Satan is [actively holding power].

¹⁴ “Nevertheless, I have a few things against you, that you have there those holding fast the teaching of Ba´laam, who went teaching Ba´lak to put a stumbling block before the [sacred and filial member of Jehovah’s universal organization] of [the Christian congregation], to eat things sacrificed to idols and to commit [mixing religion with earthly politics]. ¹⁵ So you, also, have those holding fast the teaching of the [breakaway group] of [those concoct their own ideas about scriptural commands] likewise. ¹⁶ Therefore [manifest sorrow with an intent to obtain God’s pardon]. If you do not, I am coming to you quickly, and I will war with them with the [orders of warfare and execution] from my [decisive utterances].

¹⁷ “Let the one who [keeps listening intently] hear what the spirit {of God} says to the congregations: To him that [keeps their Christian identity pure and unspotted] I will give

some of the [imperishable food supply], and I will give him a [indicative ancient wisdom; or pure, clean, and innocent] [Christ's judgment of approval], and upon the [Christ's judgment of approval] a [new blessed, honored, and distinguished identity] [proven by historical evidence] which no one knows except the one receiving it.'

¹⁸ "And to the [local elder body] of the congregation in Thy-a-ti'ra write: These are the things that the [penultimate sacred and filial member of Jehovah's universal organization] of God says, he who has his eyes like a [sharp and alert] [Judging test], and his [feet treading holy ground praising Jah] are like fine [humans in the temple courtyard],¹⁹ 'I know your deeds, and your love and faith and ministry and endurance, and that your deeds of late are more than those formerly.

²⁰ "Nevertheless, I do hold [this] against you, that you tolerate that [organization of worship] {strong-willed} Jez'e-bel, who calls herself a [spokes woman for Jehovah], and she teaches and misleads my [servants for God] to commit [mixing religion with earthly politics] and to eat things sacrificed to idols.²¹ And I gave her time to [manifest sorrow with an intent to obtain God's pardon], but she is not willing to [manifest sorrow with an intent to obtain God's pardon] of her [mixing religion with earthly politics].²² Look! I am about to throw her into a {spiritual} sickbed, and those committing adultery with her into [orders of warfare and execution], unless they [manifest sorrow with an intent to obtain God's pardon] of her deeds.²³ And her [influence toward untheocratic attitudes and wrongdoing] I will [completely disfellowship] with [unrecoverable physical death], so that all the congregations will know that I am he who searches the [deepest emotions] and [innermost persons], and I will give to YOU individually according to YOUR deeds.

²⁴ "However, I say to the rest of YOU who are in Thy-a-ti'ra, all those who do not have this teaching, the very ones who did not get to know the "[complicated intellectual speculations and philosophies; permissive, immoral reasonings like spiritism and the theory of evolution]," as they say: I am not putting upon YOU any other burden.²⁵ Just the same, hold fast what YOU have until I come.²⁶ And to him that [keeps their Christian identity pure and unspotted] and observes my deeds down to the end I will give authority over the nations,²⁷ and he shall [use legal authority to tend to] the {rebellious} people with an [war of extermination] so that they will be broken to pieces like clay vessels, the same as I have received from my Father,²⁸ and I will give him the {most intimate relationship with} [Jesus, who fulfills prophecy].²⁹ Let the one who [keeps listening intently] hear what the spirit {of God} says to the congregations.'

3 "And to the [local elder body] of the congregation in Sar'dis write: These are the things that he says who has the [Godly complete] [full operations of holy spirit] of God and the [Godly complete] [elders], 'I know your deeds, that you have the [reputation] that you are alive, but you are [spiritually inactive].² Become watchful, and strengthen the [neglected spiritual truths] that were ready to [become alienated from the world], for I have not [discovered] your deeds fully performed before {Jehovah} my God.³ Therefore, continue [to be mentioning] of how you have received and how you heard, and go on keeping [it], and [manifest sorrow with an intent to obtain God's pardon]. Certainly unless you wake up, I shall come [at a time you do not know], and you will not know at all at what [realized moment] I shall come upon you.

⁴ "Nevertheless, you do have a few [reputations] in Sar'dis that did not defile their outer [valuable protective coverings], and they shall walk with me in [pure, clean, and innocent] ones, because they are worthy.⁵ He that [keeps their Christian identity pure and unspotted] will thus be arrayed in [pure, clean, and innocent] outer [valuable protective coverings]; and I will by no means blot out his [reputation] from the [record of Jehovah's servants to be granted everlasting life], but I will make acknowledgment of his [reputation] before my Father and before his [messengers].⁶ Let the one who [keeps listening intently] hear what the spirit {of God} says to the congregations.'

⁷ "And to the [local elder body] of the congregation in Philadelphia write: These are the things he says who is holy, who is true, who has the [authority to unlock] [the inherited

Davidic covenant for a Kingdom], who opens so that no one will shut, and shuts so that no one opens, ⁸ 'I know your deeds—look! I have set before you an [opportunity for doing further in Jehovah's service], which no one can shut—that you have a [significant spiritual help], and you kept my word and did not prove false to my [reputation]. ⁹ Look! I will give those from the [contracted assembly] of Satan who say they are [God's chosen nation], and yet they are not but are lying—look! I will make them come and do [repent and become Christians] before your [feet treading holy ground praising Jah] and make them know I have loved you. ¹⁰ Because you [were faithful to death], I will also keep you from the [wave of terrible persecution to determine if one is for God's established Kingdom or Satan's world], which is to come upon the whole inhabited [human societies], to put a test upon those [actively holding power] on the [human societies]. ¹¹ I am coming quickly. Keep on holding fast what you have, that no one may take your [divinely assigned ruling authority].

¹² “The one that [keeps their Christian identity pure and unspotted]—I will make him a [immovable, trusted support in the heavenly arrangement for worship] in the [arrangement for worship] of {Jehovah} my God, and he will by no means go out [from it] anymore, and I will write upon him the [reputation] of {Jehovah} my God and the [reputation] of the [citizens] of {Jehovah} my God, the [seat of the new heavenly Kingdom government over the earth] which descends out of {righteous} [rule over humankind] from {Jehovah} my God, and that [new blessed, honored, and distinguished identity] of mine. ¹³ Let the one who [keeps listening intently] hear what the spirit {of God} says to the congregations.’

¹⁴ “And to the [local elder body] of the congregation in La-o-di-ce'a write: These are the things that the [Jesus] says, the faithful and true [expositor of evidence], the beginning of the creation by God, ¹⁵ 'I know your deeds, that you are neither [spiritually refreshing] nor [zealous for Jehovah]. I wish you were [spiritually refreshing] or else [zealous for Jehovah]. ¹⁶ So, because you are [spiritually lazy] and neither [zealous for Jehovah] nor [spiritually refreshing], I am going to vomit you out of my [decisive utterances]. ¹⁷ Because you say: “[I am self-confident and trust material possessions and human abilities]”, but [your consciences are so numbed that you do not even realize that] you are miserable and pitiable and {spiritually} poor and blind and [spiritually blind], ¹⁸ I advise you to [expend yourselves to get] from me [Tabernacle purity] refined by [zealous purifying preaching] that you may become {spiritually} rich, and [pure, clean, and innocent] outer [valuable protective coverings] that you may become [made holy] and that the shame of your [spiritual blindness] may not become manifested, and [read *The Watchtower* and *Awake!*] that you may [discern].

¹⁹ “All those for whom I have affection I reprove and discipline. Therefore be zealous and [manifest sorrow with an intent to obtain God's pardon]. ²⁰ Look! I am [signaling preparation due to the prophetic times] at the door and knocking. If anyone hears my voice {as the Word of God} and [takes the opportunity for doing further in Jehovah's service], I will come into his [house] and take the [victory banquet after Jehovah executed judgment on false religion] with him and he with me. ²¹ To the one that [keeps their Christian identity pure and unspotted] I will grant to sit down with me on my throne, even as I [helped to win my cause] and sat down with my Father on his throne. ²² Let the one who [keeps listening intently] hear what the spirit {of God} says to the congregations.”

4 After these things I saw, and, look! an [opportunity for doing further in Jehovah's service] in {righteous} [rule over humankind], and the first voice {of the Word of God} that I heard was as of a [godly summons], speaking with me, saying: “Come on up here, and I shall show you the things that must take place.” ² After these things I immediately came to be in [the power of the] spirit: and, look! a throne was in its position in {righteous} [rule over humankind], and there is one [occupying a heavenly position] upon the throne. ³ And the one [occupying a heavenly position] is, in appearance, like a [superior Kingdom leadership] stone and a precious [use vitalizing truths to produce blessings] stone, and round about the throne [there is] a [serenity and peace] like an [spiritual productiveness] in appearance.

⁴ And round about the throne [there are] [organized into priestly divisions] thrones, and upon these thrones [I saw] seated [organized into priestly divisions] [resurrected anointed brothers of Jesus as kings-priests in heaven] [made holy] in [pure, clean, and innocent] outer [valuable protective coverings], and upon their [decision making leaderships] [Tabernacle pure] [divinely assigned ruling authorities]. ⁵ And out of the throne there are proceeding [flashes of enlightenment and fiery judgments] and voices {commanding and proclaiming} and [Jehovah's great warning proclamations]; and [there are] [Godly complete] [enlightening force of the holy spirit] of [zealous purifying preaching] [spiritually scorching and wilting] before the throne, and these mean the [Godly complete] [fully operating holy spirit] of God. ⁶ And before the throne there is, as it were, a [cleansing Word of God] like [purity and holiness of God]. And in the midst of the throne and around the throne [there are] [balanced] [theriomorphized godly qualities] that [could see everywhere] in front and behind. ⁷ And the first [theriomorphized godly quality] is [boldness and indomitable courage], and the second [theriomorphized godly quality] is [full of power supplied by Jehovah], and the third [theriomorphized godly quality] has a [godlike quality of love], and the fourth [theriomorphized godly quality] is [exercising farsighted divine wisdom]. ⁸ And as for the [balanced] [theriomorphized godly qualities], each one of them respectively has [well equipped to move with lightning swiftness]; round about and underneath they [could see everywhere]. And they have no rest [without a break] as they say: “[intensely holy] is Jehovah God, the Almighty, [one who inspires prophecy and in every detail fulfills them].”

⁹ And whenever the [theriomorphized godly qualities] offer [positive acknowledgement] and honor {in recognition of His higher position} and thanksgiving to the one [occupying a heavenly position] upon the throne, the one that [is the rightful Judiciary, Legislator, and Administrative Leader for all time], ¹⁰ the [organized into priestly divisions] [resurrected anointed brothers of Jesus as kings-priests in heaven] [suffered loss of prosperity while overcome by terror] down before the [Supreme] [recognized ruling authority] and worship the One that [is the rightful Judiciary, Legislator, and Administrative Leader for all time], and they [humbly acknowledge submission of] their [divinely assigned ruling authorities] before the throne, saying: ¹¹ “You are worthy, Jehovah, even our God, to receive the [positive acknowledgement] and the honor {in recognition of His higher position} and the {governmental} power, because you created all things, and because of your will they existed and were created.”

⁵ And I saw in the [control and direction] of the [Supreme] [recognized ruling authority] a [vital information] [proven by historical evidence] within and on the reverse side, sealed tight with [Godly complete] seals {of authenticity}. ² And I saw a strong [messenger] proclaiming with a [authoritative] voice: “Who is worthy to open the [vital information] and loose its seals {of authenticity}?” ³ But neither in [illicit] [rule over humankind] nor upon [human societies] nor [among those who have died] was there a single one able to open the [vital information] or to look into it. ⁴ And I gave way to a great deal of weeping because no one was [achieving their desire] worthy to open the [vital information] or to look into it. ⁵ But one of the [resurrected anointed brothers of Jesus as kings-priests in heaven] says to me: “Stop weeping. Look! The [one who has the legal right to rule] that is of the tribe of [superior leadership], the root of [the inherited Davidic covenant for a Kingdom], has [kept their righteousness pure and unspotted] so as to open the [vital information] and its [Godly complete] seals {of authenticity}.”

⁶ And I saw [signaling preparation due to the prophetic times] in the midst of the throne and of the [balanced] [theriomorphized godly qualities] and in the midst of the [resurrected anointed brothers of Jesus as kings-priests in heaven] a [Ransomer Jesus] [who's faithfulness to the death triumphed greatly], having [Godly complete] [authoritative powers] and [Godly complete] eyes, which [eyes] mean the [Godly complete] spirits of God that have been sent forth into the whole [human societies]. ⁷ And he went and at once took [it] out of the [control and direction] of the [Supreme] [recognized ruling authority]. ⁸ And when he took the [vital information], the [balanced] [theriomorphized godly qualities]

and the [organized into priestly divisions] [resurrected anointed brothers of Jesus as kings-priests in heaven] [put forth humble effort] before the [Ransomer Jesus], having each one a [joyous ability to melodiously embellish song and prayer] and [Tabernacle pure] {sacrificial temple} [publicized purpose] that were full of [priestly prayer leading functions of the holy ones], and the [priestly prayer leading functions of the holy ones] means the prayers of the [faithful on earth who will gain a heavenly inheritance].⁹ And they sing a new song, saying: “You are worthy to take the [vital information] and open its seals {of authenticity}, because you were [killed for supporting Jehovah’s sovereignty] and with your [sacrificial death] you bought persons for God out of every tribe and tongue and people and nation,¹⁰ and you made them to be a [royal power] and [instructor about God and his laws] to our God, and they are to rule as [rulers] over the [human societies].”¹¹ And I saw, and I heard a voice of many [messengers] around the throne and the [theriomorphized godly qualities] and the [resurrected anointed brothers of Jesus as kings-priests in heaven], and the number of them was [hundred million] and [a million],¹² saying with a [authoritative] voice: “The [Ransomer Jesus] that was [killed for supporting Jehovah’s sovereignty] is worthy to receive the {governmental} power and {spiritual} riches and {acknowledgement of having superior} wisdom and {our whole} strength and honor {in recognition of His higher position} and [positive acknowledgement] and blessing.”

¹³ And every creature that is in {righteous} [rule over humankind] and on [human societies] and [among those who have died] and [within surging lawless humanity], and all the [individuals] in them, I heard saying: “To [Jehovah, who’s rule is firmly established in heavenly court] and to the [Ransomer Jesus] be the blessing and the honor {in recognition of His higher position} and the [positive acknowledgement] and the [manifested power] forever and ever.”¹⁴ And the [balanced] [theriomorphized godly qualities] went saying: “[So be it]!” and the [resurrected anointed brothers of Jesus as kings-priests in heaven] [put forth humble effort] and [upheld Jehovah’s universal sovereignty].

6 And I saw when the [Ransomer Jesus] opened one of the [Godly complete] seals {of authenticity}, and I heard one of the [balanced] [theriomorphized godly qualities] say with a voice as of [Jehovah’s great warning proclamations]: “Come!”² And I saw, and, look! a [pure, clean, and innocent] [military operations] {of warfare}; and the one [occupying a heavenly position] upon it had a [tactical weapon of offense]; and a [divinely assigned ruling authority] was given him, and he went forth [winning his cause] and to complete his conquest.

³ And when he opened the second seal {of authenticity}, I heard the second [theriomorphized godly quality] say: “Come!”⁴ And another came forth, a [bloodshed]-colored [military operation] {of warfare}; and to the one [occupying a heavenly position] upon it there was granted to take peace away from the [human societies] so that they should slaughter one another; and a [stockpile of more murderous firepower than ever before] was given him.

⁵ And when he opened the third seal {of authenticity}, I heard the third [theriomorphized godly quality] say: “Come!” And I saw, and, look! a [hunger and ration] [military operation] {of warfare}; and the one [occupying a heavenly position] upon it had a [artificial inflation and price fixing] in his [care and dominion].⁶ And I heard a voice as if in the midst of the [balanced] [theriomorphized godly qualities] say: “A [daily ration of sustenance] for a [whole day’s wage], and [legally binding] [rations of low quality food] for a [whole day’s wage]; and [use the hard to get basic source of light and medical care and the joys of heart sparingly].”

⁷ And when he opened the fourth seal {of authenticity}, I heard the voice of the fourth [theriomorphized godly quality] say: “Come!”⁸ And I saw, and, look! a [disease] [military operations] {of warfare}; and the one [occupying a heavenly position] upon it had the [reputation] [Culminating Of Sin]. And [graves where humans await resurrection] was closely following him. And authority was given them over the fourth part of the [human

societies], to [completely disfellowship] with a [orders of warfare and execution], and with food shortage and with [unrecoverable physical death] and by the {displaced and emaciated} [Satanic political systems] of the [human societies].

⁹ And when he opened the fifth seal {of authenticity}, I saw underneath the [God's willingness to accept] {of atonement} the [blood] of those [killed for supporting Jehovah's sovereignty] because of the word of God and because of the [exposing of evidence] work that they used to have. ¹⁰ And they cried with a [authoritative] voice, saying: "Until when, Sovereign Lord holy and true, are you refraining from [analyzing forensic evidence] and avenging our [sacrificial death] upon those who [actively hold power] on the [human societies]?" ¹¹ And a [pure, clean, and innocent] robe was given to each of them; and they were told to rest a little while longer, until the [144,000] was filled also of their fellow [God's servant] and their brothers who were about to be [martyred] as they also had been.

¹² And I saw when he opened the sixth seal {of authenticity}, and a [devastation that shakes Satan's human earthly system to its very foundations] occurred; and the [radiant splendor from having been in Jehovah's presence] became [hunger and rationed] as [grievous messages of doom] of [subjection to their scriptural head], and the entire [groups that selfishly influence human affairs] became as [sacrificial death], ¹³ and the [corrupt political leaders] of {illicit} [rule over humankind] [suffered loss of prosperity while overcome by terror] to the [human societies], as when a [symbol of peace, prosperity, and plenty] shaken by a [Jehovah's fury] [humbly acknowledge submission to] its [failed selfish schemes]. ¹⁴ And the {illicit} [rule over humankind] departed as a [closed book being permanently shelved], and every [political government] and [every] [politically dependent organization] were removed from their [opportunity for action]. ¹⁵ And the [human rulers] of the [human societies] and the top-ranking ones and the military commanders and the rich and the [punitive leaders] and every [member of the work force] and [every] free person hid themselves in the [financial securities] and in the [large institutions] of the [political governments]. ¹⁶ And they keep saying to the [political governments] and to the [large commercial institutions]: "[Protect us] and hide us from the [expressions] of the [Supreme] [recognized ruling authority] and from the wrath of the [Ransomer Jesus], ¹⁷ because the great day {of Jehovah and Christ's judgment and of fulfillment of divine promises} of their wrath has come, and who is able to [be ready to signal preparation due to the prophetic times]?"

⁷ After this I saw [balanced] [messengers] [signaling preparation due to the prophetic times] upon the [balanced] [compass directions] of the [human societies], holding tight the [balanced] [devastating furies] of the [human societies], that no [devastating fury] might [rouse up] upon the [human societies] or [within surging lawless humanity] or upon any [prominent member]. ² And I saw another [messenger] ascending from the [military front], having a seal {of authenticity} of [the] living God; and he cried with a [authoritative] voice {as the Word of God} to the [balanced] [messengers] to whom it was granted to [violently kill] the [human societies] and the [surging humanity], ³ saying: "Do not [violently kill] the [human societies] or the [surging humanity] or the [prominent members], until after we have sealed the [servants for God] of our God in their [how they live their lives]."

⁴ And I heard the [144,000] of those who were sealed, a [entire body of the royal priesthood] [an exemplified indefinite number], sealed out of every tribe of the [sacred and filial member of Jehovah's universal organization] of [the Christian congregation]:

⁵ Out of the tribe of [those who make use of their superior leadership for God's Kingdom] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number] sealed;

out of the tribe of [those who are reminded to always set a right example while faithfully overseeing Jehovah's chosen people] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

out of the tribe of [those who were unafraid and confidently struck back at those who are marauding their brothers so they too may gain entry into God's promises] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

⁶ out of the tribe of [those who made use of their material goods in order to be very spiritually productive and offered unusually delightful tastes of experience for their God Jehovah and for his anointed King Jesus Christ] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

out of the tribe of [those who were enlightened with God's Word about the Kingdom acted skillfully pursue the spiritual enemies of that Kingdom and were swift to show others how to escape God's judgment] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

out of the tribe of [those who suffered reduced prominence and will also receive a separate double inheritance; yet made use of their [revitalizing truth] resources to produce blessings of growth] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

⁷ out of the tribe of [those who forsook wrath and now yields vengeance to Jehovah] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

out of the tribe of [those who gave up an earthly inheritance for the privilege of priesthood] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

out of the tribe of [those who could discern the times and labor under hard burdens in order to accomplish the menial common tasks or for difficult special services as they were required in loyalty to God's organization] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

⁸ out of the tribe of [those who voluntarily spread great enlightenment that leads to deliverance from sin and death ahead of even their own physical safety and security] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

out of the tribe of [those who overcame evil with life saving goodness and acted as a caretaker, feeder, and protector of their brothers in the positions of management, overseeing, and organizing; they would receive a permanent blessing more valuable than those found on the physical earth] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number];

out of the tribe of [those who fought to worship God and for his Kingdom with dexterous deadly accuracy, shredding the false doctrines of false religion and unscriptural human traditions to pieces, and unselfishly sharing the victories with their brothers] [superbly designed organizational arrangement for accomplishing God's eternal purpose] [an exemplified indefinite number] sealed.

⁹ After these things I saw, and, look! a great [group organized for sovereign defense], which no man was able to number, out of all nations and tribes and peoples and tongues, [signaling preparation due to the prophetic times] before the throne and before the [Ransomer Jesus], [made holy] in [pure, clean, and innocent] [moral consciences]; and there were [rejoices from being saved] in their [care and dominions]. ¹⁰ And they keep on crying with a [authoritative] voice, saying: "Salvation [we owe] to our God, who is [recognized ruling authority], and to the [Ransomer Jesus]."

¹¹ And all the [messengers] were [signaling preparation due to the prophetic times] around the throne and the [resurrected anointed brothers of Jesus as kings-priests in heaven] and the [balanced] [theriomorphized godly qualities], and they [came to realize the

full import] before the throne and [upheld Jehovah's universal sovereignty] God, ¹² saying: "[This is true]! The blessing and the [positive acknowledgement] and the {acknowledgement of having superior} wisdom and the thanksgiving and the honor {in recognition of His higher position} and the {governmental} power and the {our whole} strength [be] to our God forever and ever. [So be it]."

¹³ And in response one of the [resurrected anointed brothers of Jesus as kings-priests in heaven] said to me: "These who are [made holy] in the [pure, clean, and innocent] [moral conscience], who are they and where did they come from?" ¹⁴ So right away I said to him: "My lord, you are the one that knows." And he said to me: "These are the ones that come out of the [threshing, agitation in the earth], and they have [been baptized and exercised faith to clean] their [moral consciences] and made them [pure, clean, and innocent] in the [sacrificial death] of the [Ransomer Jesus]. ¹⁵ That is why they are before the throne of God; and they are rendering him [directions for work assignments that support God's will] [without a break] in his [arrangement for worship]; and the [Supreme] [recognized ruling authority] will spread his [loving hosted protection] over them. ¹⁶ They will {spiritually} hunger no more nor {spiritually} thirst anymore, neither will the [scorching heat of Jehovah's displeasure] beat down upon them nor any [fever-pitched torture] [Jehovah's blazing anger], ¹⁷ because the [Ransomer Jesus], who is in the midst of the throne, will [use legal authority to tend to] them, and will guide them to [cleansing provisions pouring out from Jehovah] of [revitalizing truth] of life. And God will wipe out every tear from their eyes."

⁸ And when he opened the seventh seal {of authenticity}, a silence occurred in [righteous] [rule over humankind] for about a half [realized moment]. ² And I saw the [Godly complete] [messengers] that [are ready to signal preparation due to the prophetic times] before God, and [Godly complete] [godly summons] were given them.

³ And another [messenger] arrived and stood at the [God's willingness to accept] {of atonement}, having a [Tabernacly pure] [priestly prayer leading function of the holy ones] vessel; and a large quantity of [priestly prayer leading function of the holy ones] was given him to offer it with the prayers of all the [faithful on earth who will gain a heavenly inheritance] upon the [Tabernacly pure] [God's willingness to accept] {of atonement} that was before the throne. ⁴ And the [ascending prayers of vindication] of the [priestly prayer leading function of the holy ones] ascended from the [care and dominion] of the [messenger] with the prayers of the [faithful on earth who will gain a heavenly inheritance] before God. ⁵ But right away the [messenger] took the [priestly prayer leading function of the holy ones] vessel, and he filled it with some of the [zealous purifying preaching] of the [God's willingness to accept] {of atonement} and hurled it to the [human societies]. And [Jehovah's great warning proclamations] occurred and voices {commanding and proclaiming} and [flashes of enlightenment and fiery judgments] and an [shaking of doctrines to their core]. ⁶ And the [Godly complete] [messengers] with the [Godly complete] [godly summons] prepared to [rouse up] them.

⁷ And the first one [made a great noise about] his [godly summons]. And there occurred a [hard pounding of divine judgments] and [zealous purifying preaching] mingled with [sacrificial death], and it was hurled to the [human societies]; and a third of the [human societies] was [spiritually scorched and wilted], and a third of the [prominent members] was [spiritually scorched and wilted], and all the [religious] [members] was [spiritually scorched and wilted].

⁸ And the second [messenger] [made a great noise about] his [godly summons]. And something like a great [political government] [spiritually scorching and wilting] with [zealous purifying preaching] was hurled into the [surging humanity]. And a third of the [surging humanity] became [sacrificial death]; ⁹ and a third of the creatures that are in the [surging humanity] which have [life-force] [became alienated from Christ], and a third of the [radical organizations] were wrecked.

¹⁰ And the third [messenger] [made a great noise about] his [godly summons]. And a great [elder] [spiritually scorching and wilting] as a [enlightening force of the holy spirit] [suffered loss of prosperity while overcome by terror] from {righteous} [rule over humankind], and it fell upon a third of the [fresh sources of guidance and wisdom] and upon the [cleansing provisions pouring out from Jehovah] of [revitalizing truth]. ¹¹ And the [reputation] of the [elder] is called [misleading apostate]. And a third of the [revitalizing truth] turned into [misleading apostacy], and many of the [human beings] [became alienated from Christ] from the [revitalizing truth], because these had been made [spiritual poison].

¹² And the fourth [messenger] [made a great noise about] his [godly summons]. And a third of the [refined sewage offered as spiritual enlightenment] was [exposed for its hypocrisy] and a third of the [groups that selfishly influence human affairs] and a third of the [corrupt political leaders], in order that a third of them might be {spiritually} darkened and the day {of Jehovah and Christ's judgment and of fulfillment of divine promises} might not have [a message of hope] for a third of it, and the [adversity or separation from Jehovah] likewise.

¹³ And I saw, and I heard an [farsighted divine wisdom] [have news reporters who are always roving for something to report] in [the same part of the sky that birds fly] say with a [authoritative] voice: "[Absolutely intense woe] to those [actively holding power] on the [human societies] because of the rest of the [godly summons] blasts of the [legally binding] [messengers] who are about to [rouse up] their [godly summons]!"

9 And the fifth [messenger] [made a great noise about] his [godly summons]. And I saw a [elder] that had [suffered loss of prosperity while overcome by terror] from {righteous} [rule over humankind] to the [human societies], and the [authority to unlock] the [cistern] of the [inactivity] was given him. ² And he opened the [cistern] of the [inactivity], and [ascending prayers of vindication] ascended out of the [cistern] as the [ascending prayers of vindication] of a great [everlasting destruction], and the [refined sewage offered as spiritual enlightenment] was {spiritually} darkened, also the [things that motivate humankind], by the [ascending prayers of vindication] of the [cistern]. ³ And out of the [ascending prayers of vindication] [anointed Christians eager to fight for the truth] came forth upon the [human societies]; and authority was given them, the same authority as the [warnings of Jehovah's approaching day of vengeance] of the [human societies] have. ⁴ And they were told to [violently kill] no [members] of the [human societies] nor any [religious] thing nor any [prominent member], but only those [human beings] who do not have the seal {of authenticity} of God on their [how they live their lives].

⁵ And it was granted the [anointed Christians eager to fight for the truth], not to [completely disfellowship] them, but that these should be [publicly denounced of their failings] [during their life span], and the [publicly denunciation of their failings] upon them was as [publicly denunciation of their failings] by a [warning of Jehovah's approaching day of vengeance] when it {relentlessly} strikes a man. ⁶ And in those days {of Jehovah and Christ's judgment and of fulfillment of divine promises} the [human beings] will seek [culminating results of sin] but will by no means find it, and they will desire to [becoming alienated from Christ] but [becoming alienated from Christ] keeps fleeing from them.

⁷ And the likenesses of the [anointed Christians eager to fight for the truth] resembled [military operations] {of warfare} prepared for [the fight with wicked spirit reasonings for spiritual truth]; and upon their [decision making leadership] [were] what seemed to be [divinely assigned ruling authorities] like [Tabernaclly pure], and their [expressions] [were] as [qualities of love] [expressions], ⁸ but they had [subjection to their scriptural head] as [organization of worship's] [subjection to their scriptural head]. And their [spiritual authorities and powers to destroy] were as those of [boldness and indomitable courage]; ⁹ and they had [unbreakable righteousness] like [unbreakable] [righteousness]. And the sound of their [swiftness] [was] as the sound of [fast and mobile platforms of warfare] of many [military operations] {of warfare} running into [the fight with wicked spirit reasonings for spiritual truth]. ¹⁰ Also, they have [printed authoritative statements from

God's Word] and [deadly weapons] like [warnings of Jehovah's approaching day of vengeance]; and in their [printed authoritative statements from God's Word] is their authority to [rebuke in wisdom] the [human beings] [during their life span].¹¹ They have over them a [ruler], the [messenger] of the [inactivity]. In Hebrew his [reputation] is [Destruction], but in Greek he has the [reputation] [Destroyer].

¹² The one woe is past. Look! Two more woes are coming after these things.

¹³ And the sixth [messenger] [made a great noise about] his [godly summons]. And I heard [prayers of a united] voice out of the [authoritative power] of the [Tabernacle pure] [God's willingness to accept] {of atonement} that is before God.¹⁴ say to the sixth [messenger], who had the [godly summons]: "Untie the [balanced] [messengers] that are [held immobile] at the [defensive system of false religion]." ¹⁵ And the [balanced] [messengers] were untied, who have been prepared for the [realized moment] and day {of Jehovah and Christ's judgment and of fulfillment of divine promises} and [new offering of sacrifice] and year {of goodwill from Jehovah}, to [completely disfellowship] a third of the [human beings].

¹⁶ And the number of the armies of cavalry was two [hundred million]: I heard the number of them.¹⁷ And this is how I saw the [military operations] {of warfare} in the vision, and those [occupying heavenly positions] on them: they had [zealous purifying preaching] -[blood] and [precious reminder to obey Jehovah] and [incinerating source for refinement] [unbreakable] [righteousness]; and the [decision making leadership] of the [military operations] {of warfare} were as [decision making leaderships] of [boldness and indomitable courage], and out of their [decisive utterances] [zealous purifying preaching] and [ascending prayers of vindication] and [incinerating source for refinement] issued forth.¹⁸ By these [legally binding] [spiritual disapprovals] a third of the [human beings] were [completely disfellowshipped], from the [zealous purifying preaching] and the [ascending prayers of vindication] and the [incinerating source for refinement] which issued forth from their [decisive utterances].¹⁹ For the authority of the [military operations] {of warfare} is in their [decisive utterances] and in their [printed authoritative statements from God's Word]; for their [printed authoritative statements from God's Word] are like [the tactful yet bold] and have [decision making leadership], and with these they do [violent killing].

²⁰ But the rest of the [human beings] who were not [completely disfellowshipped] by these [spiritual disapprovals] did not [manifest sorrow with an intent to obtain God's pardon] of the works of their [care and dominions], so that they should not [satanically uphold the illicit sovereignty of] the demons and the idols of [materialism] and [monetary religious gain] and [forged tools] and [statues] and [ingenious temporary devices], which can neither see nor hear nor walk;²¹ and they did not [manifest sorrow with an intent to obtain God's pardon] of their murders nor of their [pharmaceutical maneuverings] nor of their [mixing religion with earthly politics] nor of their thefts.

¹⁰ And I saw another strong [messenger] descending from {righteous} [rule over humankind], arrayed with [invisibility], and a [serenity and peace] was upon his [decision making leadership], and his [expression] was as the [radiant splendor from having been in Jehovah's presence], and his [feet treading holy ground praising Jah] were as [sharp and alert] [immovable, trusted supports in the heavenly arrangement for worship],² and he had in his [care and dominion] a [open message to humankind] opened. And he set his right [foot treading holy ground praising Jah] [within surging lawless humanity], but his left one upon the [human societies],³ and he cried out with a [authoritative] voice just as when a [prophecy is heralded by Jehovah]. And when he cried out, the [Godly complete] [Jehovah's great warning proclamations] uttered their own voices {commanding and proclaiming}.

⁴ Now when the [Godly complete] [Jehovah's great warning proclamations] spoke, I was at the point of writing; but I heard a voice out of {righteous} [rule over humankind] say: "Seal up the things the [Godly complete] [Jehovah's great warning proclamations] spoke,

and do not write them down.”⁵ And the [messenger] that I saw [signaling preparation due to the prophetic times] [within surging lawless humanity] and on the [human societies] raised his [control and direction] to {righteous} [rule over humankind],⁶ and by the One who [is the rightful Judiciary, Legislator, and Administrative Leader for all time], who created the {righteous} [rule over humankind] and the [individuals] in it and the [human societies] and the [individuals] in it and the [surging humanity] and the [individuals] in it, he swore: “There will be no delay any longer;⁷ but in the days {of Jehovah and Christ’s judgment and of fulfillment of divine promises} of the sounding of the seventh [messenger], when he is about to [rouse up] his [godly summons], the [the preaching of the messianic Kingdom] of God according to the good news which he declared to his own [servants for God] the [spokes men for Jehovah] is indeed brought to a finish.”

⁸ And the voice that I heard out of {righteous} [rule over humankind] is speaking again with me and saying: “Go, take the [open message to humankind] that is in the [care and dominion] of the [messenger] who is [signaling preparation due to the prophetic times] [within surging lawless humanity] and on the [human societies].”⁹ And I went away to the [messenger] and told him to give me the [open message to humankind]. And he said to me: “Take it and eat it up, and it will make your [fleshly desire] [spiritual poison], but in your [decisive utterances] it will be sweet as honey.”¹⁰ And I took the [open message to humankind] out of the [care and dominion] of the [messenger] and ate it up, and in my [decisive utterances] it was sweet as honey; but when I had eaten it up, my [fleshly desire] was made [spiritual poison].¹¹ And they say to me: “You must [publicly expressing divine moral teachings] again with regard to peoples and nations and tongues and many [human rulers].”

¹¹ And a [measuring device] like a [vested authority] was given me as he said: “Get up and measure the [arrangement for worship] [place of Jehovah’s gloriously illuminating presence] of God and the [God’s willingness to accept] {of atonement} and those worshiping in it.”² But as for the [earthly part of true worship] that is outside the [arrangement for worship] [place of Jehovah’s gloriously illuminating presence], [humbly acknowledge submission of] it clear out and do not measure it, because it has been given to the nations, and they will [put selfish interests ahead of divine obedience to] the holy {heavenly capital} [citizens] underfoot for [three and a half years].³ And I will cause my [witnesses proclaiming Jehovah’s day of vengeance] to [publicly expressing divine moral teachings] [three and a half years] [made holy] in [grievous messages of doom].”⁴ These are [symbolized by] the [legally corroborated] [Declarers of Heavenly Law and Judges against Contempt] and the [Legally corroborated] [congregations] and are [signaling preparation due to the prophetic times] before the Lord of the [human societies].

⁵ And if anyone wants to [violently kill] them, [zealous purifying preaching] issues forth from their [decisive utterances] and devours their enemies; and if anyone should want to [violently kill] them, in this manner he must be [completely disfellowshipped].⁶ These have the authority to shut up {righteous} [rule over humankind] that [so as to cause a spiritual drought] during the days of their [publicly expressing divine moral teachings], and they have authority over the [revitalizing truth] to turn them into [sacrificial death] and to strike the [human societies] with every sort of [spiritual disapproval] as often as they [like].

⁷ And when they have finished their [expositing of evidence], the [Satanic political system] that ascends out of the [inactivity] will make war with them and [win their cause] them and [martyr] them.⁸ And their [shameful reproach for inactive preaching] will be on the [public domain] of the great [citizens] which is in a spiritual sense called [unfaithful sinners] and [violence lovers], where their Lord was also impaled.⁹ And those of the {rebellious} peoples and tribes and tongues and nations will look at their [shameful reproach for inactive preaching] for [short period], and they do not let their [shameful reproach for inactive preaching] be [improve public opinion with bail].¹⁰ And those [actively holding power] on the [human societies] rejoice over them and enjoy themselves, and they will send gifts to one another, because these [Legally corroborated] [spokes men

for Jehovah] [publicly denounced of their failings] those [actively holding power] on the [human societies].

¹¹ And after the [short period] spirit of life from God entered into them, and they stood upon their [feet treading holy ground praising Jah], and great fear [suffered loss of prosperity while overcome by terror] upon those beholding them. ¹² And they heard a [authoritative] voice out of {righteous} [rule over humankind] say to them: "Come on up here." And they went up into {righteous} [rule over humankind] in [invisibility], and their enemies beheld them. ¹³ And in that [realized moment] a [devastation that shakes Satan's human earthly system to its very foundations] occurred, and a tenth of the [citizens] [suffered loss of prosperity while overcome by terror]; and seven [an exemplified indefinite number] persons were [completely disfellowshipped] by the [shaking of doctrines to their core], and the rest became frightened and gave [positive acknowledgement] to the God of {righteous} [rule over humankind].

¹⁴ The second woe is past. Look! The third woe is coming quickly.

¹⁵ And the seventh [messenger] [made a great noise about] his [godly summons]. And [authoritative] voices occurred in {righteous} [rule over humankind], saying: "The [royal power] of the world did become the [royal power] of our Lord and of his Christ, and he will rule as [ruler] forever and ever."

¹⁶ And the [organized into priestly divisions] [resurrected anointed brothers of Jesus as kings-priests in heaven] who were [occupying a heavenly position] before God upon their thrones [came to realize the full import] and [upheld Jehovah's universal sovereignty] God, ¹⁷ saying: "We thank you, Jehovah God, the Almighty, the [One who in sovereignty inspires prophecy], because you have taken your great {governmental} power and begun ruling as [Ruler]. ¹⁸ But the nations became wrathful, and your own wrath came, and the appointed time for the [dead to be resurrected and prove they will not waste the undeserved kindness], and to give [their] reward to your [servants for God] the [spokes men for Jehovah] and to the [faithful on earth who will gain a heavenly inheritance] and to those fearing your [reputation], the small and the great, and to bring to ruin those ruining the [human societies]."

¹⁹ And the [arrangement for worship] [place of Jehovah's gloriously illuminating presence] of God that is in {righteous} [rule over humankind] was opened, and the [evidence that Jehovah is with his people] of his {for atonement} was seen in his [arrangement for worship] [place of Jehovah's gloriously illuminating presence]. And there occurred [flashes of enlightenment and fiery judgments] and voices {commanding and proclaiming} and [Jehovah's great warning proclamations] and an [shaking of doctrines to their core] and a great [hard pounding of divine judgments].

¹² And a great [symbol] was seen in {righteous} [rule over humankind], a [organization of worship] arrayed with the [radiant splendor from having been in Jehovah's presence], and the [group that selflessly influence human affairs] was beneath her [feet treading holy ground praising Jah], and on her [decision making leadership] was a [divinely assigned ruling authority] of [superbly designed organizational arrangement for accomplishing God's eternal purpose] [elders], ² and she was [filled with faithful persons taught by Jehovah]. And she cries out in her [feeling exposed] and in her [need for divine help] to [produce an important result].

³ And another [symbol] was seen in {righteous} [rule over humankind], and, look! a great [bloodshed]-colored [Satan as a cunning serpent], with [as far as allowed to develop] [decision making leaderships] and [thorough earthly completeness] [authoritative powers] and upon its [decision making leaderships] [as far as allowed to develop] [sovereign statehoods]; ⁴ and its [printed authoritative statements from Satanic influence] drags a third of the [corrupt political leaders] of {illicit} [rule over humankind], and it hurled them down to the [human societies]. And the [Satan as a cunning serpent] kept [signaling preparation due to the prophetic times] before the [organization of worship] who was

about to [produce an important result], that, when she did [produce an important result], it might devour her [newborn Kingdom].

⁵ And she [produced an important result] to a [sacred and filial member of Jehovah's universal organization], a [suitably competent to rule], who is to [use legal authority to tend to] all the nations with an [war of extermination]. And her [newborn Kingdom] was caught away to God and to his throne. ⁶ And the [organization of worship] [sought refuge] into the [new nation], where she has a [opportunity for action] prepared by God, that they should [protect and nourish] her there [three and a half years].

⁷ And war broke out in [rule over humankind]: Mi'cha-el and his [messengers] [fought with wicked spirit reasonings for spiritual truth] with the [Satan as a cunning serpent], and the [Satan as a cunning serpent] and its [messengers] [fought with wicked spirit reasonings against spiritual truth] ⁸ but it did not prevail, neither was a [opportunity for action] [achieving their desire] for them any longer in {righteous} [rule over humankind]. ⁹ So down the great [Satan as a cunning serpent] was hurled, the original [Satan the Devil], the one called Devil and Satan, who is misleading the entire inhabited [human societies]; he was hurled down to the [human societies], and his [messengers] were hurled down with him. ¹⁰ And I heard a [authoritative] voice in {righteous} [rule over humankind] say:

“Now have come to pass the salvation and the {governmental} power and the [royal power] of our God and the authority of his Christ, because the accuser of our brothers has been hurled down, who accuses them [without a break] before our God! ¹¹ And they [helped to win the cause of Christ] him because of the [sacrificial death] of the [Ransomer Jesus] and because of the word of their [expositing evidence], and they did not love their [life-force] even in the face of [culminating results of sin]. ¹² On this account be glad, YOU {righteous} [rule over humankind] and YOU who reside in them! Woe for the [human societies] and for the [surging humanity], because the Devil has come down to YOU, having great anger, knowing he has a short period of time.”

¹³ Now when the [Satan as a cunning serpent] saw that it was hurled down to the [human societies], it persecuted the [organization of worship] that [produced an important result] to the [suitably competent to rule] [newborn Kingdom]. ¹⁴ But the two [swiftness] of the great [farsighted divine wisdom] were given the [organization of worship], that she might [have news reporters who are always roving for something to report] into the [new nation] to her [opportunity for action]; there is where she is fed for [three and a half years] away from the [expressions] of the [Satan the Devil].

¹⁵ And the [Satan the Devil] disgorged [flood of propaganda] like a [vicious flood of persecution] from its [legal decrees] after the [organization of worship], to cause her to be drowned by the [vicious flood of persecution]. ¹⁶ But the [human societies] came to the [organization of worship's] help, and the [human societies] opened its [legal decrees] and swallowed up the [vicious flood of persecution] that the [Satan as a cunning serpent] disgorged from its [legal decrees]. ¹⁷ And the [Satan as a cunning serpent] grew wrathful at the [organization of worship], and went off to wage war with the remaining ones of her [144,001 integrity keepers], who observe the commandments of God and have the work of bearing [exposed evidence] to Jesus.

13 And it stood still upon the [innumerable shifting instability] of the [surging humanity].

And I saw a [Satanic political system] ascending out of the [surging humanity], with [thorough earthly completeness] [authoritative powers] and [as far as allowed to develop] [decision making leaderships], and upon its [authoritative powers] [thorough earthly completeness] [sovereign statehoods], but upon its [decision making leaderships] [counterfeit representation of God's Messianic Kingdom] [reputations]. ² Now the [Satanic political system] that I saw was like a [ready to swiftly pounce], but its [feet running to bloodshed] were as those of a [strikes deep into the body of its opponent], and its [legal decree] was as a [boldness and indomitable courage] [legal decree]. And the [Satan as a

cunning serpent] gave to [the beast] its {governmental} power and its throne and great authority.

³ And I saw one of its [decision making leaderships] [almost politically and economically destroyed], but its [severely damaged condition] got healed, and all the [human societies] followed the [Satanic political system] with admiration. ⁴ And they [Satanically upheld the illicit sovereignty of] the [Satan as a cunning serpent] because it gave the authority to the [Satanic political system], and they [Satanically upheld the illicit sovereignty of] the [Satanic political system] with the words: “Who is like the [Satanic political system], and who can do [the fight with wicked spirit reasonings for spiritual truth] with it?” ⁵ And a [legal decree] [boastfully claiming] great things and [counterfeit representation of God’s Messianic Kingdom] was given it, and authority to act [three and a half years] was given it. ⁶ And it opened its [legal decree] in [pejorative false descriptions] against God, to [pejoratively falsely describe] his [reputation] and his [loving hosted protection], even those residing in {righteous} [rule over humankind]. ⁷ And there was granted it to wage war with the [faithful on earth who will gain a heavenly inheritance] and [win their cause over] them, and authority was given it over every tribe and people and tongue and nation. ⁸ And all those who [actively hold power] on the [human societies] will [Satanically uphold the illicit sovereignty of] it; the [reputation] of not one of them stands [proven by historical evidence] in the [record of servants to be granted everlasting life] of the [Ransomer Jesus] who was [killed for supporting Jehovah’s sovereignty], from the [the time of Abel, the first among redeemable mankind].

⁹ If anyone [keeps listening intently], let him hear. ¹⁰ If anyone [is meant] for captivity {for being unfaithful}, he goes away into captivity {for being unfaithful}. If anyone will be [completely disfellowshipped] with the [execution instrument], he must be [completely disfellowshipped] with the [execution instrument]. Here is where it means the endurance and faith of the [faithful on earth who will gain a heavenly inheritance].

¹¹ And I saw another [Satanic political system] ascending out of the [human societies], and it had [Legally corroborated] [authoritative powers] like a [pretend nationalistic ransomer], but it began [boastfully claiming] as a [Satan as a cunning serpent]. ¹² And it exercises all the authority of the first [Satanic political system] in its sight. And it makes the [human societies] and those who [actively hold power] in it [Satanically uphold the illicit sovereignty of] the first [Satanic political system], whose [severely damaged condition] got healed. ¹³ And it performs great [symbols], so that it should even make [zealous purifying preaching] come down out of {illicit} [rule over humankind] to the [human societies] in the sight of [flesh-and-blood humans].

¹⁴ And it misleads those who [actively hold power] on the [human societies], because of the [symbols] that were granted it to perform in the sight of the [Satanic political system], while it tells those who [actively hold power] on the [human societies] to make an [diplomatic forum] to the [Satanic political system] that had the [execution instrument]-[military defeat] and yet revived. ¹⁵ And there was granted it to give [life] to the [diplomatic forum] of the [Satanic political system], so that the [diplomatic forum] of the [Satanic political system] should both [boastfully claim] and cause to be [martyred] all those who would not in any way [Satanically upheld the illicit sovereignty of] the [diplomatic forum] of the [Satanic political system].

¹⁶ And it puts under compulsion all persons, the small and the great, and the rich and the poor, and the free and the [servants for God], that they should give these a [full allegiance] in their [control and direction] or upon their [how they live their lives], ¹⁷ and that nobody might be able to buy or sell except a person having the [full allegiance], the [reputation] of the [Satanic political system] or the [emphasized Satanic triple failures] of its [reputation]. ¹⁸ Here is where {reliance on Jehovah for superior spiritual} wisdom comes in: Let the one that has intelligence calculate the [emphasized Satanic triple failures] of the [Satanic political system], for it is a man’s [emphasized Satanic triple failures]; and its [emphasized Satanic triple failures] is [emphasized miserable failings of big Business, big religion, and big human government].

14 And I saw, and, look! the [Ransomer Jesus] [signaling preparation due to the prophetic times] upon the [entire assembly of 144,000 united with Christ in rulership], and with him a [entire body of the royal priesthood] [an exemplified indefinite number] having his [reputation] and the [reputation] of his Father [proven by historical evidence] on their [how they live their lives].² And I heard a sound out of {righteous} [rule over humankind] as the sound of [groups of humanity] and as the sound of loud [Jehovah's great warning proclamations]; and the sound that I heard was as of singers who accompany themselves on the [joyous ability to melodiously embellish song and prayer] playing on their [joyous ability to melodiously embellish song and prayer].³ And they are singing as if a new song before the throne and before the [balanced] [theriomorphized godly qualities] and the [resurrected anointed brothers of Jesus as kings-priests in heaven]; and no one was able to master that song but the [entire body of the royal priesthood] [an exemplified indefinite number], who have been bought from the [human societies].⁴ These are the ones that did not defile themselves with [organizations of worship]; in fact, they are [honest and religiously chaste]. These are the ones that keep following the [Ransomer Jesus] no matter where he goes. These were bought from among [flesh-and-blood humans] as [first to be in line for a heavenly or earthly hope] to God and to the [Ransomer Jesus],⁵ and no falsehood was [discovered] in their [decisive utterances]; they are without [being crooked in obedience to Christ].

⁶ And I saw another [messenger] [have news reporters who are always roving for something to report] in [in the same part of the sky that birds fly], and he had everlasting good news to declare as glad tidings to those who [actively hold power] on the [human societies], and to every nation and tribe and tongue and people,⁷ saying in a [authoritative] voice: "FEAR God and give him [positive acknowledgement], because the [realized moment] of the [analyzing forensic evidence] by him has arrived, and so [uphold Jehovah's universal sovereignty] the One who made the {righteous} [rule over humankind] and the [human societies] and [surging humanity] and [cleansing provisions pouring out from Jehovah] of [revitalizing truth]."

⁸ And another, a second [messenger], followed, saying: "She has [suffered loss of prosperity while overcome by terror]! [The entire world empire of false religion] has [suffered loss of prosperity while overcome by terror], she who made all the nations [imbued with easily understood lessons] of the [inebriating crazed behavior] of the anger of her [mixing religion with earthly politics]!"

⁹ And another [messenger], a third, followed them, saying in a [authoritative] voice: "If anyone [Satanically upheld the illicit sovereignty of] the [Satanic political system] and its [diplomatic forum], and receives a [full allegiance] on [how he lives his life] or upon his [care and dominion],¹⁰ he will also [imbued with easily understood lessons] of the [inebriating crazed behavior] of the anger of God that is poured out undiluted into the [personal experience] of his wrath, and he shall be [publicly denounced of his failings] with [zealous purifying preaching] and [incinerating source for refinement] in the sight of the holy [messengers] and in the sight of the [Ransomer Jesus].¹¹ And the [ascending prayers of vindication] of their [publicly denunciation of their failings] ascends forever and ever, and [without a break] they have no rest, those who [Satanically upheld the illicit sovereignty of] the [Satanic political system] and its [diplomatic forum], and whoever receives the [full allegiance] of its [reputation].¹² Here is where it means endurance for the [faithful on earth who will gain a heavenly inheritance], those who observe the commandments of God and the faith of Jesus."

¹³ And I heard a voice out of {righteous} [rule over humankind] say: "Write: Happy are the [spiritually inactive in death] who [become alienated from the world] in union with [the] Lord from this time onward. Yes, says the spirit {of God}, let them rest from their labors, for the things they did go right with them."

¹⁴ And I saw, and, look! a [pure, clean, and innocent] [invisibleness], and upon the [invisibleness] someone [occupying a heavenly position] like [Jesus in Kingdom power],

with a [Tabernacly pure] [divinely assigned ruling authority] on his [decision making leadership] and a sharp [final cutting off of those still standing] in his [care and dominion].

¹⁵ And another [messenger] emerged from the [arrangement for worship] [place of Jehovah's gloriously illuminating presence], crying with a [authoritative] voice to the one [occupying a heavenly position] on the [invisibleness]: "Put your [final cutting off of those still standing] in and reap, because the [realized moment] has come to reap, for the harvest of the [human societies] is thoroughly [fully flourished and mature]." ¹⁶ And the one [occupying a heavenly position] on the [invisibleness] thrust in his [final cutting off of those still standing] on the [human societies], and the [human societies] was reaped.

¹⁷ And still another [messenger] emerged from the [arrangement for worship] [place of Jehovah's gloriously illuminating presence] that is in {righteous} [rule over humankind], he, too, having a sharp [final cutting off of those still standing].

¹⁸ And still another [messenger] emerged from the [God's willingness to accept] {of atonement} and he had authority over the [zealous purifying preaching] . And he called out with a [authoritative] voice to the one that had the sharp [final cutting off of those still standing], saying: "Put your sharp [final cutting off of those still standing] in and gather the [demonic pacts and treaties] of the [corrupt visible system of government over mankind] of the [human societies], because its [abundance of poisonous fruitage] have become [fully flourished and mature]." ¹⁹ And the [messenger] thrust his [final cutting off of those still standing] into the [human societies] and gathered the [corrupt visible system of government over mankind] of the [human societies], and he hurled it into the great [supreme penalty of execution] of the anger of God. ²⁰ And the [supreme penalty of execution] was trodden outside the [citizens], and [sacrificial death] came out of the [supreme penalty of execution] as high up as the bridles of the [military operations] {of warfare}, for a distance of a [an exemplified indefinite number] [involves the entire planet].

15 And I saw in {righteous} [rule over humankind] another [symbol], great and wonderful, [Godly complete] [messengers] with [Godly complete] [spiritual disapprovals]. These are the last ones, because by means of them the anger of God is brought to a finish.

² And I saw what seemed to be a [cleansing Word of God] mingled with [zealous purifying preaching] , and those who come off victorious from the [Satanic political system] and from its [diplomatic forum] and from the [144,000] of its [reputation] [signaling preparation due to the prophetic times] by the [cleansing Word of God], having [joyous ability to melodiously embellish song and prayer] of God. ³ And they are singing the song of Moses the [servants] of God and the song of the [Ransomer Jesus], saying:

"Great and wonderful are your works, Jehovah God, the Almighty. Righteous and true are your ways, [Ruler] of eternity. ⁴ Who will not really fear you, Jehovah, and glorify your [reputation], because you alone are loyal? For all the nations will come and [uphold Jehovah's universal sovereignty] before you, because your righteous decrees have been made manifest."

⁵ And after these things I saw, and the [place of Jehovah's gloriously illuminating presence] of the [loving hosted protection] of the [exposed evidence] was opened in {righteous} [rule over humankind], ⁶ and the [Godly complete] [messengers] with the [Godly complete] [spiritual disapprovals] emerged from the [place of Jehovah's gloriously illuminating presence] , [dressed] with {spiritually} clean, bright [lamp wicks] and [prepared to carry out their assignment] about their [whole-hearted efforts] with [Tabernacly pure] [services to perform]. ⁷ And one of the [balanced] [theriomorphized godly qualities] gave the [Godly complete] [messengers] [Godly complete] [Tabernacly pure] {sacrificial temple} [publicized purposes] that were full of the anger of God, who [is the rightful Judiciary, Legislator, and Administrative Leader for all time]. ⁸ And the [place of Jehovah's gloriously illuminating presence] became filled with [ascending prayers of vindication] because of the [positive acknowledgement] of God and because of his {governmental} power, and no one was able to enter into the [place of Jehovah's gloriously illuminating presence] until the [Godly complete] [spiritual disapprovals] of the [Godly complete] [messengers] were finished.

16 And I heard a [authoritative] voice out of the [place of Jehovah's gloriously illuminating presence] say to the [Godly complete] [messengers]: "Go and pour out the [Godly complete] {sacrificial temple} [publicized purposes] of the anger of God into the [human societies]."

² And the first one went off and poured out his {sacrificial temple} [publicized purpose] into the [human societies]. And a [bad feelings] and [ferociously wicked state] [unclean and damaging failing schemes] came to be upon the [human beings] that had the [full allegiance] of the [Satanic political system] and that were [Satanically upholding the illicit sovereignty of] its [diplomatic forum].

³ And the second one poured out his {sacrificial temple} [publicized purpose] into the [surging humanity]. And it became [sacrificial death] as of a [spiritually inactive] man, and every living [life-force] [became alienated from Christ], [yes,] the [individuals] in the [surging humanity].

⁴ And the third one poured out his {sacrificial temple} [publicized purpose] into the [fresh sources of guidance and wisdom] and the [cleansing provisions pouring out from Jehovah] of the [revitalizing truths]. And they became [sacrificial death]. ⁵ And I heard the [messenger] over the [revitalizing truths] say: "You, the [One who in sovereignty inspires prophecy], the loyal One, are righteous, because you have rendered these decisions, ⁶ because they poured out the [sacrificial death] of [faithful on earth who will gain a heavenly inheritance] and of [spokes men for Jehovah], and you have given them [sacrificial death] to [imbued with easily understood lessons]. They deserve it." ⁷ And I heard the [God's willingness to accept] {of atonement} say: "Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions."

⁸ And the fourth one poured out his {sacrificial temple} [publicized purpose] upon the [refined sewage offered as spiritual enlightenment]; and to the [refined sewage offered as spiritual enlightenment] it was granted to [fever-pitched torture] the [human beings] with [zealous purifying preaching] . ⁹ And the [human beings] were [fever-pitched tortured] with great [Jehovah's blazing anger], but they [pejorative false described] the [reputation] of God, who has the authority over these [spiritual disapprovals], and they did not [manifest sorrow with an intent to obtain God's pardon] so as to give [positive acknowledgement] to him.

¹⁰ And the fifth one poured out his {sacrificial temple} [publicized purpose] upon the throne of the [Satanic political system]. And its [royal power] became {spiritually} darkened, and they began to [resent the truth] for [their] [feeling exposed], ¹¹ but they [pejoratively falsely described] the God of {righteous} [rule over humankind] for their [feeling exposed] and for their [unclean and damaging failing schemes], and they did not [manifest sorrow with an intent to obtain God's pardon] of their works.

¹² And the sixth one poured out his {sacrificial temple} [publicized purpose] upon the [defensive system of false religion], and its [flood of propoganda] was dried up, that the way might be prepared for the [human rulers] from the rising of the [scorching heat of Jehovah's displeasure].

¹³ And I saw [legally binding] {spiritually} unclean inspired expressions [that looked] like [disinformation with the intent to maneuver all human rulers] come out of the [legal decrees] of the [Satan as a cunning serpent] and out of the [legal decree] of the [Satanic political system] and out of the [legal decree] of the false [spokes man for Jehovah]. ¹⁴ They are, in fact, expressions inspired by demons and perform [symbols], and they go forth to the [human rulers] of the entire inhabited [human societies], to gather them together to the war of the great day {of Jehovah and Christ's judgment and of fulfillment of divine promises} of God the Almighty.

¹⁵ "Look! I am coming [at a time you do not know]. Happy is the one that stays [alert and watchful] and keeps his outer [valuable protective coverings], that he may not walk [spiritually blind] and people look upon his [loss of clean Christian identity]."

¹⁶ And they gathered them together to the [opportunity for action] that is called in Hebrew [situation for elimination by Jehovah].

¹⁷ And the seventh one poured out his {sacrificial temple} [publicized purpose] upon the [things that motivate humankind]. At this a [authoritative] voice {of Jehovah} issued out of the [place of Jehovah's gloriously illuminating presence] from the throne, saying: "It has come to pass!" ¹⁸ And [flashes of enlightenment and fiery judgments] and voices {commanding and proclaiming} and [Jehovah's great warning proclamations] occurred, and a [devastation that shakes Satan's human earthly system to its very foundations] occurred such as had not occurred since [human beings] came to be on the [human societies], so extensive an [shaking of doctrines to their core], so great. ¹⁹ And the great [citizens] split into [legally binding] parts, and the [citizens] of the nations [suffered loss of prosperity while overcome by terror]; and [the entire world empire of false religion] was remembered in the sight of God, to give her the [personal experience] of the [inebriating crazed behavior] of the anger of his wrath. ²⁰ Also, every [politically dependent organization] [sought refuge], and [political governments] were not [achieving their desire]. ²¹ And a great [hard pounding of divine judgments] with every [gem] about the [20kg] descended out of {righteous} [rule over humankind] upon the [human beings], and the [human beings] [pejoratively falsely described] God due to the [spiritual disease] of [hard pounding of divine judgments], because the [spiritual disease] of it was unusually great.

17 And one of the [Godly complete] [messengers] that had the [Godly complete] {sacrificial temple} [publicized purposes] came and spoke with me, saying: "Come, I will show you the [analyzed forensic evidence] upon the great [religio-political opportunist] who sits on [groups of humanity], ² with whom the [human rulers] of the [human societies] committed [mixing religion with earthly politics], whereas those who inhabit the [human societies] were made [profusely murderous] with the [inebriating crazed behavior] of her [mixing religion with earthly politics]."

³ And he carried me away in [the power of the] spirit into a [new nation]. And I caught sight of a [organization of worship] sitting upon a [claim of royalty]-colored [Satanic political system] that was full of [counterfeit representation of God's Messianic Kingdom] [reputations] and that had [as far as allowed to develop] [decision making leaderships] and [thorough earthly completeness] [authoritative powers]. ⁴ And the [organization of worship] was arrayed in [extravagant honors] and [claim of royalty], and was adorned with [materialism] and precious [gem] and [spiritual values] and had in her [care and dominion] a [materialistic] [personal experience] that was full of [behaviors perverting socially anticipated morals] and the {spiritually} unclean things of her [mixing religion with earthly politics]. ⁵ And upon [how she lives her life] was [proven by historical evidence] a [reputation], a [understanding explained by no other source than God]: "[The entire world empire of false religion], the [originating source] of the [religio-political opportunists] and of the disgusting [individuals] of the [human societies]."⁶ And I saw that the [organization of worship] was [profusely murderous] with the [sacrificial death] of the [faithful on earth who will gain a heavenly inheritance] and with the [sacrificial death] of the [exposing of evidence] of Jesus.

Well, on catching sight of her I wondered with great wonderment. ⁷ And so the [messenger] said to me: "Why is it you wondered? I will tell you the [understanding explained by no other source than God] of the [organization of worship] and of the [Satanic political system] that is carrying her and that has the [as far as allowed to develop] [decision making leaderships] and the [thorough earthly completeness] [authoritative powers]: ⁸ The [Satanic political system] that you saw was, but is not, and yet is about to ascend out of the [inactivity], and it is to go off into destruction. And when they [discern] how the [Satanic political system] was, but is not, and yet will be [have distinctive influence], those who [actively hold power] on the [human societies] will wonder admiringly, but their [reputations] have not been [proven by historical evidence]

upon the [record of servants to be granted everlasting life] from the [the time of Abel, the first among redeemable mankind].

⁹ “Here is where the intelligence that has {reliance on Jehovah for superior spiritual} wisdom comes in: The [as far as allowed to develop] [decision making leaderships] mean [as far as allowed to develop] [political governments], where the [organization of worship] sits on top. ¹⁰ And there are [as far as allowed to develop] [human rulers]: five have [suffered loss of prosperity while overcome by terror], one is, the other has not yet arrived, but when he does arrive he must remain a short while. ¹¹ And the [Satanic political system] that was but is not, it is also itself an [emphatically complete] [human ruler], but springs from the [godly completed], and it goes off into destruction.

¹² “And the [thorough earthly completeness] [authoritative powers] that you saw mean [thorough earthly completeness] [human rulers], who have not yet received a [royal power], but they do receive authority as [human rulers] one [realized moment] with the [Satanic political system]. ¹³ These have one thought, and so they give their {governmental} power and authority to the [Satanic political system]. ¹⁴ These will [fight with wicked spirit reasonings against spiritual truth] with the [Ransomer Jesus], but, because he is Lord of lords and [Ruler] of [human rulers], the [Ransomer Jesus] will [win his cause over] them. Also, those called and chosen and faithful with him [will do so].”

¹⁵ And he says to me: “The [peoples] that you saw, where the [religio-political opportunist] is sitting, mean peoples and [groups organized for sovereign defense] and nations and tongues. ¹⁶ And the [thorough earthly completeness] [authoritative powers] that you saw, and the [Satanic political system], these will hate the [religio-political opportunist] and will make her [financially destitute and lonely] and [expose her real shameful character by destroying her structure], and will [support themselves in devouring rampage against] her [fallible ethics] and will completely [spiritually scorch and wilt] her with [everlasting destruction]. ¹⁷ For God put [it] into their [innermost persons] to carry out his thought, even to carry out [their] one thought by giving their [royal power] to the [Satanic political system], until the words of God will have been accomplished. ¹⁸ And the [organization of worship] whom you saw means the great [citizens] that has a [royal power] over the [human rulers] of the [human societies].”

¹⁸ After these things I saw another [messenger] descending from {righteous} [rule over humankind], with great authority; and the [human societies] was [educated in the meaning of Jehovah's Word] up from his [positive judgment]. ² And he cried out with a [greatly authoritative] voice {as the Word of God}, saying: “She has [suffered loss of prosperity while overcome by terror]! [The entire world empire of false religion] has [suffered loss of prosperity while overcome by terror], and she has become a [actively hold power] [opportunity for action] of demons and a lurking [opportunity for action] of every {spiritually} unclean [disposition] and a lurking [opportunity for action] of every {spiritually} unclean and hated [predatory opportunist]! ³ For because of the [inebriating crazed behavior] of the anger of her [mixing religion with earthly politics] all the nations have [suffered loss of prosperity while overcome by terror] [victim], and the [human rulers] of the [human societies] committed [mixing religion with earthly politics] with her, and the [retail outlets] of the [human societies] became rich due to the {governmental} power of her shameless [eager desires].”

⁴ And I heard another voice out of {righteous} [rule over humankind] say: “Get out of her, [those of the general populace who's hearts dearly support me], if YOU do not want to share with her in her sins, and if YOU do not want to receive part of her [spiritual diseases]. ⁵ For her sins have [followed each other as disciples in succession] together clear up to {righteous} [rule over humankind], and God has called her {evil} acts of injustice to [to be mentioned]. ⁶ Render to her even as she herself rendered, and do to her [double compensation of a convicted thief] as much, yes, [double compensation of a convicted thief] the number of the things she did; in the [personal experience] in which she put a [promiscuous intermingling] put [double compensation of a convicted thief] as much of the [promiscuous intermingling] for her. ⁷ To the extent that she [held such a

highly glorious opinion of herself in her own mind] and lived in shameless [eager desires], to that extent give her [public denunciation of her failings] and [don't be a fool, take to heart the lesson of death]. For in her [innermost person] she keeps saying, 'I sit [at the highest level of influence], and I am no [city stripped bare], and I shall never see [don't be a fool, take to heart the lesson of death].'⁸ That is why in [short and rapid time span] {of Jehovah and Christ's judgment and of fulfillment of divine promises} her [spiritual diseases] will come, [culminating results of sin] and [don't be a fool, take to heart the lesson of death] and [lack of peace from spiritual starvation], and she will be completely [spiritually scorched and wilted] with [everlasting destruction], because Jehovah God, who [by forensic evidence analyzed] her, is strong.

⁹ "And the [human rulers] of the [human societies] who committed [mixing religion with earthly politics] with her and lived in shameless [eager desires] will weep and beat themselves in grief over her, when they look at the [ascending prayers of vindication] from the [spiritually scorching and wilting] of her,¹⁰ while they [kept a self-preserving safe distance] because of their fear of her [publicly denounced of her failings] and say, 'Too bad, too bad, you great [citizens], [false religion] you strong [citizens], because in one [realized moment] your [analyzed forensic evidence] has arrived!'

¹¹ "Also, the [retail outlets] of the [human societies] are weeping and [don't be a fool, take to heart the lesson of death] over her, because there is no one to buy their full stock anymore,¹² a full stock of [materialism] and [monetary religious gain] and precious [gem] and [spiritual values] and fine [identity] and [extravagant honors] and [costly material expressions of love] and [claim of royalty]; and everything in [expensive furniture] and every sort of [imported decorative material] object and every sort of object out of most precious [ingenious temporary devices] and of [forged tools] and of [unbreakable] and of [white solid foundations];¹³ also [masking garden scents] and [prayer ingredients] and [Priestly prayer leading function of the holy ones] and [sacrifice preparations] and [sacrifice ingredients] and [joy of heart] and [sources of light and medical care] and [the best worship-worthy produce] and [sustenance for life] and [modes of transportation] and [religious congregants], and [military operations] {of warfare} and [four wheeled vehicles] and [member of the work force] and human [blood].¹⁴ Yes, the fine [culminating results from previous actions] that your [life-force] desired has departed from you, and all the dainty [individuals] and the gorgeous [individuals] have perished from you, and never again will people find them.

¹⁵ "The [retail outlets] of these things, who became rich from her, will [keep a self-preserving safe distance] because of [their] fear of her [publicly denounced of her failings] and will weep and mourn,¹⁶ saying, 'Too bad, too bad—the great [citizens], clothed with fine [identity] and [extravagant honors] and [claim of royalty], and richly adorned with [materialistic] ornament and precious [gem] and [spiritual values],¹⁷ because in one [realized moment] such great riches have been [financially destitute and lonely]!' "And every [NGO think tank] and every man that [provide labors toward their goals] anywhere, and [those who help them stay afloat] and all those who make a living by the [surging humanity], [kept a self-preserving safe distance]¹⁸ and cried out as they looked at the [ascending prayers of vindication] from the [spiritually scorching and wilting] of her and said, 'What [citizens] is like the great [citizens]?'¹⁹ And they threw dust upon their [decision making leaderships] and cried out, weeping and [don't be a fool, take to heart the lesson of death], and said, 'Too bad, too bad—the great [citizens], in which all those having [radical organizations] at [surging humanity] became rich by reason of her costliness, because in one [realized moment] she has been [financially destitute and lonely]!' "

²⁰ "Be glad over her, O {righteous} [rule over humankind], also YOU [faithful on earth who will gain a heavenly inheritance] and YOU [messengers with orders from Christ] and YOU [spokes men for Jehovah], because God has judicially exacted punishment for YOU from her!"

²¹ And a strong [messenger] lifted up a {weighty} stone like a great [manufacturing industry] and hurled it into the [surging humanity], saying: “Thus with a swift pitch will [the entire world empire of false religion] [citizens] be hurled down, and she will never be [achieving their desire] again. ²² And the sound of singers who accompany themselves on the [joyous ability to melodiously embellish song and prayer] and of [give melody to non-human inspirations] and of [disproportionately dramatized minor facts] and of [godly summoners] will never be heard in you again, and no [architect] of any [technique] will ever be [achieving their desire] in you again, and no sound of a [manufacturing plant] will ever be heard in you again, ²³ and no [educating in the meaning of Jehovah’s Word] of a [enlightening force of the holy spirit] will ever shine in you again, and no [sounds of exaltation] of a [divine institution that results in peace and happiness] will ever be heard in you again; because your [retail outlets] were the top-ranking [human beings] of the [human societies], for by your [pharmaceutical maneuverings] all the nations were misled. ²⁴ Yes, in her was [discovered] the [sacrificial death] of [spokes men for Jehovah] and of [faithful on earth who will gain a heavenly inheritance] and of all those who have been [killed for supporting Jehovah’s sovereignty] on the [human societies].”

19 After these things I heard what was as a [authoritative] [sounds of exaltation] of a great [group organized for sovereign defense] in [righteous] [rule over humankind]. They said: “Praise Jah, YOU people! The salvation and the [positive acknowledgement] and the {governmental} power belong to our God, ² because his [analyzed forensic evidence] are true and righteous. For he has executed [analyzed forensic evidence] upon the great [religio-political opportunist] who corrupted the [human societies] with her [mixing religion with earthly politics], and he has avenged the [sacrificial death] of his [servants for God] at her [care and dominion].” ³ And right away for the second time they said: “Praise Jah, YOU people! And the [ascending prayers of vindication] from her goes on ascending forever and ever.”

⁴ And the [organized into priestly divisions] [resurrected anointed brothers of Jesus as kings-priests in heaven] and the [balanced] [theriomorphized godly qualities] [put forth humble effort] and [upheld Jehovah’s universal sovereignty] God [occupying a heavenly position] upon the throne, and said: “[So be it]! Praise Jah, YOU people!”

⁵ Also, a [sound of exaltation] issued forth from the throne and said: “Be praising our God, all YOU his [[servants for God], who fear him, the small ones and the great.”

⁶ And I heard what was as a [sound of exaltation] of a great [group organized for sovereign defense] and as a sound of [groups of humanity] and as a sound of heavy [Jehovah’s great warning proclamations]. They said: “Praise Jah, YOU people, because Jehovah our God, the Almighty, has begun to rule as [ruler]. ⁷ Let us rejoice and be overjoyed, and let us give him the [positive acknowledgement], because the [honorable union of cooperation established by God] of the [Ransomer Jesus] has arrived and his [supportive relationship] has prepared herself. ⁸ Yes, it has been granted to her to be arrayed in bright, {spiritually} clean, fine [identity], for the fine [identity] stands for the righteous acts of the [faithful on earth who will gain a heavenly inheritance].”

⁹ And he tells me: “Write: Happy are those invited to the [victory banquet after Jehovah executed judgment on false religion] of the [Ransomer Jesus]’ [honorable union of cooperation established by God].” Also, he tells me: “These are the true sayings of God.”

¹⁰ At that I [put forth humble effort] before his [feet treading holy ground praising Jah] to [upheld Jehovah’s universal sovereignty] him. But he tells me: “Be careful! Do not do that! All I am is a fellow [member of the work force] of you and of your brothers who have the work of [expositing evidence] to Jesus. [Uphold Jehovah’s universal sovereignty] God; for the bearing [exposed evidence] to Jesus is what inspires [publicly expressing divine moral teachings].”

¹¹ And I saw the {righteous} [rule over humankind] opened, and, look! a [pure, clean, and innocent] [military operation] {of warfare}. And the one [occupying a heavenly position] upon it is called Faithful and True, and he [analyzes with forensic evidence] and

carries on war in righteousness.¹² His eyes are a [sharp and alert] [Judging test], and upon his [decision making leadership] are many [sovereign statehoods]. He has a [reputation] [proven by historical evidence] that no one knows but he himself,¹³ and he is arrayed with an outer [valuable protective covering] sprinkled with [sacrificial death], and the [reputation] he is called is The Word of God.¹⁴ Also, the armies that were in {righteous} [rule over humankind] were following him on [pure, clean, and innocent] [military operations] {of warfare}, and they were clothed in [pure, clean, and innocent], {spiritually} clean, fine [identity].¹⁵ And out of his [decisive utterances] there [issues] a sharp [orders of warfare and execution], that he may strike the nations with it, and he will [use legal authority to tend to] them with a [vested authority] of [unbreakable]. He [puts selfless interests ahead of divine obedience] too the [supreme penalty of execution] of the anger of the wrath of God the Almighty.¹⁶ And upon his outer [valuable protective covering], even upon his [hard effort], he has a [reputation] [proven by historical evidence], [Ruler] of [human rulers] and Lord of lords.

¹⁷ I saw also an [messenger] [signaling preparation due to the prophetic times] in the [radiant splendor from having been in Jehovah's presence], and he cried out with a [authoritative] voice and said to all the [predatory opportunist] that [have news reporters who are always roving for something to report] in [in the same part of the sky that birds fly]: "Come here, be gathered together to the [absolute destruction of all who are opposers] of God,¹⁸ that YOU may eat the [fallible ethics] of [human rulers] and the [fallible ethics] parts of military commanders and the [fallible ethics] of strong [human beings] and the [fallible ethics] of [military operations] {of warfare} and of those [occupying a heavenly position] upon them, and the [fallible ethics] of all, of [independently wealthy] as well as of [members of the work force] and of small ones and great."

¹⁹ And I saw the [Satanic political system] and the [human rulers] of the [human societies] and their armies gathered together to wage the war with the one [occupying a heavenly position] on the [military operations] {of warfare} and with his army.²⁰ And the [Satanic political system] was caught, and along with it the false [spokes man for Jehovah] that performed in front of it the [symbols] with which he misled those who received the [full allegiance] of the [Satanic political system] and those who render [Satanically upheld the illicit sovereignty of] to its [diplomatic forum]. While still alive, they both were hurled into the [bloodshed] lake that [spiritually scorches and wilts] with [incinerating source for destruction].²¹ But the rest were [completely disfellowshipped] off with the [orders of warfare and execution] of the one [occupying a heavenly position] on the [military operations] {of warfare}, which [sword] proceeded out of his [decisive utterances]. And all the [predatory opportunists] were filled from the [fallible ethics] of them.

²⁰ And I saw an [messenger] coming down out of {righteous} [rule over humankind] with the [authority to unlock] the [inactivity] and a [indissoluble bond] in his [care and dominion].² And he seized the [Satan as a cunning serpent], the original [Satan the Devil], who is the Devil and Satan, and [held immobile] him for a thousand years.³ And he hurled him into the [inactivity] and shut [it] and sealed [it] over him, that he might not mislead the nations anymore until the thousand years were ended. After these things he must be let loose for a little while.

⁴ And I saw thrones, and there were those who sat down on them, and {governmental} power of [analyzing forensic evidence] was given them. Yes, I saw the [blood] of those [hacked at to conform] for the [exposed evidence] they bore to Jesus and for [boastfully claiming] about God, and those who had [Satanically upheld the illicit sovereignty of] neither the [Satanic political system] nor its [diplomatic forum] and who had not received the [full allegiance] upon their [how they live their lives] and upon their [care and dominion]. And they came to life and ruled as [rulers] with the Christ for a thousand years.⁵ (The rest of the [spiritually inactive] did not come to life until the thousand years were ended.) This is the first resurrection.⁶ Happy and holy is anyone having part in the first resurrection; over these the [annihilation without hope of a resurrection] has no authority,

but they will be [instructor about God and his laws] of God and of the Christ, and will rule as [rulers] with him for the thousand years.

⁷ Now as soon as the thousand years have been ended, Satan will be let loose out of his prison, ⁸ and he will go out to mislead those nations in the [balanced] [compass directions] of the [human societies], [Chief leader of the illicit government] and [those who want to be citizens under the illicit government], to gather them together for the war. The number of these is as the [innumerable shifting instability] of the [surging humanity]. ⁹ And they advanced over the breadth of the [human societies] and encircled the [close-knit city] of the [faithful on earth who will gain a heavenly inheritance] and the beloved [citizens]. But [everlasting destruction] came down out of {righteous} [rule over humankind] and devoured them. ¹⁰ And the Devil who was misleading them was hurled into the lake of [everlasting destruction] and [incinerating source for destruction], where both the [Satanic political system] and the false [spokes man for Jehovah] [already were]; and they will be [publicly denounced for their failings] [without a break] forever and ever.

¹¹ And I saw a great [pure, clean, and innocent] throne and the one [occupying a heavenly position] on it. From before him the [human societies] and the {illicit} [rule over humankind] [sought refuge] away, and no [opportunity for action] was [achieving their desire] for them. ¹² And I saw the [spiritually inactive], the great and the small, [signaling preparation due to the prophetic times] before the throne, and [vital information] were opened. But another [vital information] was opened; it is the [record of servants to be granted everlasting life]. And the [spiritually inactive] were [analyzed forensic evidence] out of those things [proven by historical evidence] in the [vital information] according to their deeds. ¹³ And the [surging humanity] gave up those [spiritually inactive] in it, and [culminating results of sin] and [graves where humans await resurrection] gave up those [spiritually inactive] in them, and they were [analyzed forensic evidence] individually according to their deeds. ¹⁴ And [culminating results of sin] and [graves where humans await resurrection] were hurled into the lake of [everlasting destruction]. This means the [annihilation without hope of a resurrection], the lake of [everlasting destruction]. ¹⁵ Furthermore, whoever was not [discovered] [proven by historical evidence] in the [record of Jehovah's servants to be granted everlasting life] was hurled into the lake of [everlasting destruction].

21 And I saw a new {righteous} [rule over humankind] and a new [human societies]; for the former {illicit} [rule over humankind] and the former [human societies] had [removed with no reason to ever go back to them again], and the [surging humanity] is no more. ² I saw also the holy {heavenly capital} [citizens], [Seat of the new heavenly Kingdom government over the earth], coming down out of {righteous} [rule over humankind] from God and prepared as a [beautiful united arrangement] adorned for her [selfless, capable ownership to caretake and trust]. ³ With that I heard a [authoritative] voice {of Jehovah} from the throne say: "Look! The [loving hosted protection] of God is with [flesh-and-blood humans], and he will reside with them, and they will be [those of the general populace who's hearts dearly support him]. And God himself will be with them. ⁴ And he will wipe out every tear from their eyes, and [culminating results of sin] will be no more, neither will [don't be a fool, take to heart the lesson of death] nor outcry nor [feeling exposed] be anymore. The former things have [removed with no reason to ever go back to them again]."

⁵ And the [Supreme] [recognized ruling authority] said: "Look! I am making all things new." Also, he says: "Write, because these words are faithful and true." ⁶ And he said to me: "They have come to pass! I am the [only Almighty], the [One who finishes what I start]. To anyone {spiritually} thirsting I will give from the [cleansing provision pouring out from Jehovah] of the [revitalizing truths] of life free. ⁷ Anyone [keeping their Christian identity pure and unspotted] will inherit these things, and I shall be his God and he will be my [sacred and filial member of Jehovah's universal organization]. ⁸ But as for the [those who prominently affect the zeal and endurance of others negatively instead of moving out of

the way for those who are ready for deliberate righteous activity] and those without faith and those who are [deceiving, preferring foreign rule, and holding on to unrighteous customs as if there is no Jehovah] and murderers and [mixing religion with earthly politics] and those practicing [pharmaceutical maneuverings] and idolaters and all the liars, their portion will be in the lake that [spiritually scorches and wilts] with [everlasting destruction] and [incinerating source for destruction]. This means the [culminating results of sin].”

⁹ And there came one of the [Godly complete] [messengers] who had the [Godly complete] {sacrificial temple} [publicized purposes] which were full of the [Godly complete] last [spiritual disapprovals], and he spoke with me and said: “Come here, I will show you the [beautiful united arrangement], the [Ransomer Jesus’] [supportive relationship].”¹⁰ So he carried me away in [the power of the] spirit to a great and lofty [political government], and he showed me the holy {heavenly capital} [citizens] Jerusalem coming down out of {righteous} [rule over humankind] from God¹¹ and having the [positive judgment] of God. Its radiance was like a most precious [gem], as a [superior Kingdom leadership] stone shining [purity and holiness of Godly]-clear.¹² It had a great and lofty [well dealing protection even from eminent domain] and had [superbly designed organizational arrangement for accomplishing God’s eternal purpose] [free flow of information and conducting of important business], and at the [free flow of information and conducting of important business] [superbly designed organizational arrangement for accomplishing God’s eternal purpose] [messengers], and [reputations] were inscribed which are those of the [superbly designed organizational arrangement for accomplishing God’s eternal purpose] tribes of the [sacred and filial member of Jehovah’s universal organization] of [the Christian congregation].¹³ On the east were [legally binding] [free flow of information and conducting of important business], and on the north [legally binding] [free flow of information and conducting of important business], and on the south [legally binding] [free flow of information and conducting of important business], and on the west [legally binding] [free flow of information and conducting of important business].¹⁴ The [well dealing protection even from eminent domain] of the [citizens] also had [superbly designed organizational arrangement for accomplishing God’s eternal purpose] foundation stones, and on them the [superbly designed organizational arrangement for accomplishing God’s eternal purpose] [reputations] of the [superbly designed organizational arrangement for accomplishing God’s eternal purpose] [messengers with orders from Christ] of the [Ransomer Jesus].

¹⁵ Now the one who was speaking with me was holding as a measure a [Tabernacle pure] [measuring device], that he might measure the [citizens] and its [free flow of information and conducting of important business] and its [well dealing protection even from eminent domain].¹⁶ And the [citizens] lies [balanced] [divinely engineered instruction], and its [was a very great divinely designated exclusive surface of property]. And he measured the [citizens] with the [measuring device], [superbly designed organizational arrangement for accomplishing God’s eternal purpose] [an exemplified indefinite number] [races were won]; its [Godly provisions for salvation and worship] are [providing the same rewards and values too everyone].¹⁷ Also, he measured its [well dealing protection even from eminent domain], [entire body of the royal priesthood] cubits, according to a man’s measure, at the same time an [messenger]’s.¹⁸ Now the structure of its [well dealing protection even from eminent domain] was [superior Kingdom leadership], and the [citizens] was pure [Tabernacle pure] like clear glass.¹⁹ The foundations of the [citizens’] [well dealing protection even from eminent domain] were adorned with every sort of precious [gem]: the first foundation was [superior Kingdom leadership], the second [faithful oversight], the third [fearless confidence in God’s promises], the fourth [spiritual productiveness],²⁰ the fifth [swift to share God’s enlightenment], the sixth [use vitalizing truths to produce blessings], the seventh [yields vengeance to Jehovah], the eighth [heavenly priesthood], the ninth [loyalty to God’s organization], the tenth [voluntary deliverance instructions], the eleventh [life saving managed care and protection], the twelfth [unselfish sharing in victories].²¹ Also, the [superbly designed organizational

arrangement for accomplishing God's eternal purpose] [free flow of information and conducting of important business] were [superbly designed organizational arrangement for accomplishing God's eternal purpose] [spiritual values]; each one of the [free flow of information and conducting of important business] was made of one [spiritual value]. And the [public domain] of the [citizens] was pure [Tabernacle pure], as transparent glass.

²² And I did not see a [arrangement for worship] in it, for Jehovah God the Almighty is its [arrangement for worship], also the [Ransomer Jesus] [is]. ²³ And the [citizens] has no need of the [refined sewage offered as spiritual enlightenment] nor of the [groups that selfishly influence human affairs] to shine upon it, for the [positive judgment] of God [educated in the meaning of Jehovah's Word] it up, and its [enlightening force of the holy spirit] was the [Ransomer Jesus]. ²⁴ And the nations will walk by means of its [educated in the meaning of Jehovah's Word], and the [human rulers] of the [human societies] will bring their [positive acknowledgement] into it. ²⁵ And its [free flow of information and conducting of important business] will not be closed at all by day, for [adversity or separation from Jehovah] will not exist there. ²⁶ And they will bring the [positive acknowledgement] and the honor [in recognition of His higher position] of the nations into it. ²⁷ But anything not sacred and anyone that carries on a [behaviors perverting socially anticipated morals] and a lie will in no way enter into it; only those [proven by historical evidence] in the [Ransomer Jesus'] [record of servants to be granted everlasting life] [will].

²² And he showed me a [fresh sources of guidance and wisdom] of [revitalizing truths] of life, clear as [purity and holiness of God], flowing out from the throne of God and of the [Ransomer Jesus] ² down the middle of its [public domain]. And on this side of the [fresh sources of guidance and wisdom] and on that side [there were] [life eternal] producing [superbly designed organizational arrangement for accomplishing God's eternal purpose] crops of [culminating results from previous actions], yielding their [culminating results from previous actions] each [new offering of sacrifice]. And the [endless uplifting skillful direction and good news] of the [prominent members] [were] for the curing of the nations.

³ And no more will there be any [alienation from Jehovah]. But the throne of God and of the [Ransomer Jesus] will be in [the city], and his [servants for God] will render him [directions for work assignments that support God's will]; ⁴ and they will see his [expressions], and his [reputation] will be on their [how they live their lives]. ⁵ Also, [adversity or separation from Jehovah] will be no more, and they have no need of [artificial light] nor [do they have] [refined sewage offered as spiritual enlightenment], because Jehovah God will shed [educated meaning of Jehovah's Word] upon them, and they will rule as [rulers] forever and ever.

⁶ And he said to me: "These words are faithful and true; yes, Jehovah the God of the inspired expressions of the [spokes men for Jehovah] sent his [messenger] forth to show his [servants for God] the things that must shortly take place. ⁷ And, look! I am coming quickly. Happy is anyone observing the words of the prophecy of this [vital information]."

⁸ Well, I John was the one hearing and seeing these things. And when I had heard and seen, I [put forth humble effort] to [uphold Jehovah's universal sovereignty] before the [feet treading holy ground praising Jah] of the [messenger] that had been showing me these things. ⁹ But he tells me: "Be careful! Do not do that! All I am is a fellow [servants] of you and of your brothers who are [spokes men for Jehovah] and of those who are observing the words of this [vital information]. [uphold Jehovah's universal sovereignty] God."

¹⁰ He also tells me: "Do not seal up the words of the prophecy of this [vital information], for the appointed time is near. ¹¹ He that is doing unrighteousness, let him do unrighteousness [noted time]; and let the filthy one be made filthy [noted time]; but let the righteous one do righteousness [noted time], and let the holy one be made holy [noted time]."

¹² “Look! I am coming quickly, and the reward I give is with me, to render to each one as his work is. ¹³ I am the [only Almighty], the [One whose standards determine reward or rejection], the [One who finishes what I start]. ¹⁴ Happy are those who [have been baptized and exercised faith to clean] their [moral consciences], that the authority [to go] to the [eternal lives] may be theirs and that they may gain entrance into the [citizens] by its [free flow of information and conducting of important business]. ¹⁵ Outside are the [impudent people with pedophile thoughts] and those who practice [false worship] and the [mixing religion with earthly politics] and the murderers and the idolaters and everyone liking and carrying on a lie.’

¹⁶ “I, Jesus, sent my [messenger] to bear [exposed evidence] to YOU people of these things for the congregations. I am the root and the offspring of [the inherited Davidic covenant for a Kingdom], and the bright [Jesus, who fulfills prophecy].”

¹⁷ And the spirit {of God} and the [beautiful united arrangement] keep on saying: “Come!” And let anyone hearing say: “Come!” And let anyone {spiritually} thirsting come; let anyone that wishes take life’s [revitalizing truth] free.

¹⁸ “I am bearing [exposed evidence] to everyone that hears the words of the prophecy of this [vital information]: If anyone makes an addition to these things, God will add to him the [spiritual diseases] that are [proven by historical evidence] in this [vital information]; ¹⁹ and if anyone takes anything away from the words of the [vital information] of this prophecy, God will take his portion away from the [eternal lives] and out of the holy {heavenly capital} [citizens], things which are [proven by historical evidence] about in this [vital information].

²⁰ “He that bears [exposed evidence] of these things says, ‘Yes; I am coming quickly.’”

“[This is true]! Come, Lord Jesus.”

²¹ [May] the undeserved kindness of the Lord Jesus Christ [be] with the [faithful on earth who will gain a heavenly inheritance].

(Isaiah 35:4; 61:2)

Interpretation Smoothed from Mechanical replacement.

1 A revelation by Jesus Christ, which God gave him, to show his godly servants the things that must shortly take place. And Jesus sent forth his messenger and presented this Revelation in symbols through him to his godly servant, John,² who carried specific evidence to the word God gave and to the exposing evidence Jesus Christ gave, even to all the things he saw.³ Happy is he who reads aloud and those who hear the words of this prophecy, and who observe the things found in it that are proven by historical evidence; for the appointed time is near.

4 John to the Godly complete congregations that are everywhere:

May you have undeserved kindness and peace from “The Sovereign One who in His Sovereignty inspires prophecy and in every detail fulfills them,” and from the perfect operations of holy spirit that are before his throne,⁵ and from Jesus Christ, “the Faithful explainer of evidence,” “The first human resurrected to heavenly immortal life,” and “The Ruler of the human rulers over the human societies.”

To Jesus that loves us and that loosed us from our sins by means of his own sacrificial death—⁶ and he made us to be a royal power, instructors about God and His laws for his God and Father—yes, to him be the positive acknowledgement and the manifested power forever. So be it.

7 Look! He is coming with invisibility, and every eye will discern him, including those who opposed him; and all the tribes of the human societies will beat themselves in grief because of him. Yes, this is true.

8 “I am the only Almighty,” says Jehovah God, “the one who in sovereignty inspires prophecy and in every detail fulfills them, the Almighty.”

9 I John, your brother and a sharer with you in the tribulation and royal power and endurance in company with Jesus, came to be in the isle that is called Patmos for boastfully proclaiming about God and working to explain evidence of Jesus.¹⁰ By inspiration I came to be in the period from 1914 onward, and I heard behind me a very authoritative voice like that of a godly calling,¹¹ saying: “What you see write in a scroll and send it to all the Godly congregations, in Ephesus and in Smyrna and in Pergamum and in Thyatira and in Sardis and in Philadelphia and in Laodicea.”

12 And I turned to see the voice as the Word of God that was speaking with me, and, having turned, I saw all of the perfect and worshipfully purity congregations,¹³ and in the midst of the congregations someone like Jesus in Kingdom power, clothed with priestly clothing that reached down to the feet, which were treading holy ground for praising Jah, and prepared to carry out his assignment with whole-hearted efforts with a pure worship service to perform.¹⁴ Moreover, his leadership decisions and his subjection to his

scriptural head were indications of ancient wisdom like pure, clean, and innocent wool, like snow, and his eyes were sharp and alert tests of judgment;¹⁵ and his feet were like fine humans in the temple courtyard treading holy ground praising Jah, who are examples of faithfulness during a scheme to reject God's Kingdom and kill the Kingdom work; and his voice, as the Word of God, was as loud as of whole groups of humans.¹⁶ And he had in his directive control all of the perfect arrangement of elders, and out of his decisive commands an order of authority was issuing, and his countenance was as the radiant splendor from having been in Jehovah's presence when it shines in its governmental power.¹⁷ And when I saw him, I suffered indignity while being overcome by terror as if spiritually inactive at his feet treading holy ground while he was praising Jah.

And he laid this controlling directive upon me and said: "Do not be fearful. I am the first human resurrected to immortal spirit life and the last to be personally resurrected by Jehovah,¹⁸ and the living one; and I became spiritually inactive (for parts of three days), but, look! I am living forever and ever, and I have the authority to unlock the culminating results of sin and of graves where humans await resurrection.¹⁹ Therefore write down the things you saw, and the things that are and the things that will take place after these.²⁰ As for the preaching of the messianic Kingdom by the elders made complete by God that you saw under my directive control, and of the Godly complete worshipfully pure congregations: The elders made complete by God mean the local elder bodies of the perfect congregations, and the perfect congregations mean congregations made complete by God.

² "To the local elder body of the congregation in Eph'e-sus write: These are the things that he says who holds the perfect body of Godly elders under his direction and control, he who walks in the midst of the, completely holy, worshipfully pure, congregations,² 'I know your deeds, and your labor and endurance, and that you cannot bear bad human beings, and that you put those to the test who claim to be messengers with orders from Christ, but they are not, and you discovered they were liars.³ You are also showing endurance, and you have borne up for my reputation's sake and have not grown weary.⁴ Nevertheless, I hold this against you, that you have left the love for Jehovah your God.

⁵ "There fore remember from what you have suffered substantial spiritual loss while overwhelmed by human induced fears, and manifest sorrow with an intent to obtain God's pardon and reawaken your love for Jehovah. If you do not, I am coming to you, and I will remove your congregation from any opportunity for spiritual activity, unless you actually manifest sorrow with intent to obtain God's pardon.⁶ Still, you do have this, that you hate the deeds of the breakaway group of Nic-o-la'us, which I also hate.⁷ Let the one that keeps listening intently hear what the spirit of God says to the congregations: To him that keeps their Christian identity pure and unspotted I will grant to eat of the only source of eternal life, which is in the paradise of God.'

⁸ "And to the local elder body of the congregation in Smyr'na write: These are the things that he says, 'the first human resurrected to immortal spirit life and the last to be personally resurrected by Jehovah,' who became spiritually inactive and came to life again,⁹ 'I know your tribulation and poverty—but you are spiritually rich—and the counterfeit representation of God's Messianic Kingdom by those who say they themselves are God's chosen nation, and yet they are not but are a contracted assembly from Satan.¹⁰ Do not be afraid of the things you are about to suffer. Look! The Devil will keep on throwing some of you into prison that you may be fully put to the test, and that you may have tribulation which will be thoroughly complete in an earthly sense during the days of

Jehovah and Christ's judgment and of fulfillment of divine promises. Prove yourself faithful despite the culminating effects of sin, and I will give you the immortal life in heaven or for others eternal life on earth. ¹¹ Let the one who keeps listening intently hear what the spirit of God says to the congregations: He that keeps their Christian identity pure and unspotted will by no means be violently killed by the annihilation that is without hope of a resurrection.'

¹² "And to the local elder body of the congregation in Per'ga-mum write: These are the things that he says, the one who has the authority to make decisions, ¹³ 'I know where you are actively placing your power, that is, where the nationalistic worship is; and yet you keep on holding on to my reputation, and you did not deny your faith in me even in the days of An'ti-pas, my evidence and proof, the faithful one, who was martyred right beside you where Satan actively holds power.

¹⁴ "Nevertheless, I have a few things against you, that you have there some holding on to the teaching of Ba'laam, who went teaching Ba'lak to put a stumbling block before the sacred brotherhood of Jehovah's universal organization of the Christian congregation, to eat things sacrificed to idols and to commit the act of mixing religion with earthly politics. ¹⁵ So you, also, have those of you who cling to the teaching of the breakaway group who likewise concoct their own ideas about scriptural commands. ¹⁶ Therefore manifest sorrow with intent to gain pardon from God. If you do not, I am coming to you quickly, and I will war with them with orders of warfare and execution from my decisive orders.

¹⁷ "Let the one who continues listening intently hear what the spirit of God says to the congregations: To him that keeps their Christian identity pure and unspotted I will give some of the imperishable food supply, and I will give him ancient wisdom which will make him pure, clean, and innocent during Christ's judgment of approval, and within the approval judgment by Christ a new blessed, honored, and distinguished identity which is proven by historical evidence and which no one knows except the one receiving it.'

¹⁸ "And to the local elder body of the congregation in Thy-a-ti'ra write: These are the things that the one who is second from the most sacred and befitting member of Jehovah God's universal organization says, he who has his eyes which are sharp and alert for tests of judgment, and his feet treading holy ground while he is praising Jah are like fine humans in the temple courtyard, ¹⁹ 'I know your deeds, and your love and faith and ministry and endurance, and that your deeds of late are more than those formerly.

²⁰ "Nevertheless, I do hold this against you, that you tolerate that strong-willed Jez'e-bel like organization of worship, who calls herself a spokes woman for Jehovah, and she teaches and misleads my Godly servants to commit the sin of mixing religion with earthly politics and to eat things sacrificed to idols. ²¹ And I gave her time to manifest sorrow with the intent to obtain God's pardon, but she is not willing to manifest sorrow with any intent to obtain God's pardon from her mixing religion with earthly politics. ²² Look! I am about to throw her into a spiritual sickbed, and those committing adultery with her into execution by orders of warfare, unless they manifest sorrow with an intent to obtain God's pardon of her deeds. ²³ And her influence toward un-theocratic attitudes and wrongdoing I will permanently disfellowship with an unrecoverable physical death, so that all the congregations will know that I am he who searches the deepest emotions and innermost depths of persons, and I will give to you individually according to your deeds.

²⁴ "However, I say to the rest of you who are in Thy-a-ti'ra, all those who do not have this teaching, the very ones who did not get to know the "complicated intellectual

speculations and philosophies; permissive, immoral reasonings like spiritism and the theory of evolution,” as they say: I am not putting upon you any other burden. ²⁵ Just the same, hold on strong what you do have until I come. ²⁶ And to him that keeps their Christian identity pure and unspotted and observes my deeds down to the end I will give authority over the nations, ²⁷ and he shall use legal authority to tend to the rebellious people with a war of extermination so that they will be broken to pieces like clay vessels, the same as I have received from my Father, ²⁸ and I will give him the most intimate relationship with Jesus, who is the fulfillment of prophecy. ²⁹ Let the one who keeps listening intently hear what the spirit of God says to the congregations.’

³ “And to the local elder body of the congregation in Sar´dis write: These are the things that he says who has the perfect, full operation of holy spirit of God and directs the elders made complete by God, ‘I know your deeds, that you have the reputation that you are alive, but you are spiritually inactive. ² Become watchful, and strengthen the neglected spiritual truths that were prepared to help you to become alienated from the world, for I have not discovered your deeds to be performed as fully as you could before Jehovah my God. ³ Therefore, continue to orally relate how you have received and how you heard, and go on keeping it, and manifest sorrow with an intent to obtain God’s pardon. Certainly unless you wake up, I will come at a time you least expect, and for sure you will not know in what sudden moment of realization I shall be right there on top of you.

⁴ “‘Nevertheless, you do have a few recognizable reputations in Sar´dis that did not defile their outer valuable protective Christian coverings, and they shall walk with me as pure, clean, and innocent ones, because they are worthy. ⁵ He that keeps their Christian identity pure and unspotted will thus be arrayed in pure, clean, and innocent outer valuable protective coverings; and I will by no means blot out his good reputation from the record of Jehovah’s servants who are to be granted everlasting life, but I will definitely acknowledge his reputation before my Father and before his messengers. ⁶ Let the one who keeps on intently listening really hear what the spirit of God says to the congregations.’

⁷ “And to the local elder body of the congregation in Philadelphia write: These are the things he says who is holy, who is true, who has the authority to unlock the inherited Davidic covenant for a Kingdom, who opens such that no one will shut, and shuts so that no one opens, ⁸ ‘I know your deeds—look! I have set before you an opportunity for doing further in Jehovah’s service, which no one can shut—that you have a significant spiritual help, and you kept my word and did not prove false to my reputation. ⁹ Look! I will give those from the contracted assembly of Satan who say they are God’s chosen nation, and yet they are not but are lying—look! I will cause them to come and certainly repent and become Christians before your feet treading holy ground while you are praising Jah and make them know I have loved you. ¹⁰ Because you were faithful to death, I will also keep you from the wave of terrible persecution to determine if one is for God’s established Kingdom or Satan’s world, which is to come upon the whole inhabited human societies, to put a test upon those actively holding power on human societies. ¹¹ I am coming quickly. Keep on holding fast what you have, that no one may take away your divinely assigned ruling authority.

¹² “‘The one that keeps their Christian identity pure and unspotted—I will make him an immovable, trusted support in the heavenly arrangement for worship in the arrangement for worship of Jehovah my God, and he will by no means go out from it anymore, and I will write upon him the reputation of Jehovah my God and the reputation of the citizens of

Jehovah my God, the seat of the new heavenly Kingdom government over the earth which descends out of righteous rule over humankind from Jehovah my God, and that new blessed, honored, and distinguished identity of mine. ¹³ Let the one who keeps listening intently hear what the spirit of God says to the congregations.'

¹⁴ "And to the local elder body of the congregation in La-o-di-ce'a write: These are the things that the Jesus says, the faithful and true explainer of evidence, the beginning of the creation by God, ¹⁵ 'I know your deeds, that you are neither spiritually refreshing nor zealous for Jehovah. I wish you were spiritually refreshing or else zealous for Jehovah. ¹⁶ So, because you are spiritually lazy and neither zealous for Jehovah nor spiritually refreshing, I am going to vomit you out from my commanding decisions ¹⁷ because you say: "I am self-confident and trust material possessions and human abilities", but your consciences are so numbed that you do not even realize that you are miserable and pitiable and spiritually poor and blind and spiritually blind. ¹⁸ I advise you to work extremely hard to get from me pure worship refined by zealous preaching that you may become spiritually rich, and acquire pure, clean, and innocent outer valuable protective Christian armor that you may be made holy and that the shame of your spiritual blindness may not become manifested, and read *The Watchtower* and *Awake!* that you may have discernment.

¹⁹ "'All of those for whom I have affection I reprove and discipline. Therefore be zealous and manifest sorrow with intent to obtain God's pardon. ²⁰ Look! I am knocking at the door and signaling preparation due to the prophetic times. If anyone hears my voice as the Word of God and takes the opportunity for doing further in Jehovah's service, I will come into his house and take part in the victory banquet after Jehovah executed judgment on false religion with him and he with me. ²¹ To the one that keeps their Christian identity pure and unspotted I will grant to sit down with me on my throne, even as I was helped to win my cause and sat down with my Father on his throne. ²² Let the one who keeps listening intently hear what the spirit of God says to the congregations.'"

4 After these things I saw, and, look! an opportunity for doing further sacred service under Jehovah's righteous rule over humankind, and the first voice of the Word of God that I heard was as of a godly summons, speaking with me, saying: "Come on up here, and I shall show you the things that must take place."

² After these things I immediately came to be in the power of the spirit: and, look! a throne was in a position of righteous rule over humankind, and there is one occupying a heavenly position upon the throne. ³ And the one occupying the heavenly position is, in appearance, like a superior leader in the Kingdom structure and a precious structure that made use of vitalizing truths to produce blessings, and round about the throne there is serenity and peace like spiritual productivity in appearance.

⁴ And round about the throne there are thrones organized into priestly divisions, and upon these thrones I also saw seated resurrected anointed brothers of Jesus organized as kings-priests into priestly divisions in heaven, made holy in pure, clean, and innocent outer protective coverings which are of high value, and upon their decision making leaderships worshipfully pure divinely assigned authority to rule. ⁵ And out of the throne

there are proceeding flashes of enlightenment, and fiery judgments, and voices commanding and proclaiming, and Jehovah's great warning proclamations; and there are perfect amounts of enlightening forces from the holy spirit of zealous purifying preaching which causing spiritual scorching and wilting before the throne, and these mean the perfect fully operating holy spirit of God. ⁶ And before the throne there is, as it were, a cleansing Word of God like purity and holiness of God. And in the midst of the throne and around the throne there are balanced theriomorphized godly qualities that could see everywhere in front and behind. ⁷ And the first theriomorphized godly quality is boldness and indomitable courage, and the second theriomorphized godly quality is full of power supplied by Jehovah, and the third theriomorphized godly quality has a godlike quality of love, and the fourth theriomorphized godly quality is exercising farsighted divine wisdom. ⁸ And as for the balanced theriomorphized godly qualities, each one of them respectively is well equipped to move with lightning swiftness; round about and underneath they could see everywhere. And they have no rest and are unstoppable as they say: "intensely holy is Jehovah God, the Almighty, one who inspires prophecy and in every detail fulfills them."

⁹ And whenever the theriomorphized godly qualities offer positive acknowledgement and honor in recognition of His higher position and thanksgiving to the one occupying a heavenly position upon the throne, the one that is the rightful Judiciary, Legislator, Moral Director, and Administrative Leader for all time, ¹⁰ the ones who are organized into priestly divisions, the resurrected anointed brothers of Jesus as kings-priests in heaven, recognized their limitations while overcome by reverent fear fell down before the Supremely recognized ruling authority and worship the One that is the rightful Judiciary, Legislator, Moral Director, and Administrative Leader for all time, and they humbly acknowledge submission of their divinely assigned ruling authorities before the throne, saying: ¹¹ "You are worthy, Jehovah, even our God, to receive the positive acknowledgement and the honor in recognition of His higher position and the governmental power, because you created all things, and because of your will they existed and were created."

⁵ And I saw in the control and direction of the Supremely recognized ruling authority some vital information proven by historical evidence within and on the reverse side, sealed tight with Godly complete seals of authenticity. ² And I saw a strong messenger proclaiming with an authoritative voice: "Who is worthy to open the vital information and loose its seals of authenticity?" ³ But neither from within illicit rule over humankind nor upon human societies nor among those who have died was there a single one able to open the vital information or to look into it. ⁴ And I gave way to a great deal of weeping because no one was achieving their desire to be worthy to open the vital information or to look into it. ⁵ But one of the resurrected anointed brothers of Jesus as kings-priests in heaven says to me: "Stop weeping. Look! The one who has the legal right to rule that is of the tribe of Superior Leadership, the root of the inherited Davidic covenant for a Kingdom, has kept his righteous identity pure and unspotted so as to open the vital information and its Godly complete seals of authenticity."

⁶ And I saw signaling for preparation due to the prophetic times in the midst of the throne and of the balanced theriomorphized godly qualities and in the midst of the resurrected anointed brothers of Jesus as kings-priests in heaven a Ransomer Jesus who's faithfulness to the death triumphed greatly, having perfectly authorized powers and Godly complete eyes, which eyes mean the Godly complete spirits of God that have been sent forth into the whole human societies. ⁷ And he went and at once took it out of the directive control of the Supremely recognized ruling authority. ⁸ And when he took the vital information, the balanced theriomorphized godly qualities and the resurrected anointed brothers of Jesus as kings-priests in heaven who were organized into priestly divisions put forth humble efforts before the Ransomer Jesus, having each one a joyous ability to melodiously embellish song and prayer, and worshipfully pure holy sacrifices to publicize purposes that were full of priestly prayer leading functions of the holy ones, and the priestly prayer leading functions of the holy ones means the prayers of the faithful on

earth who will gain a heavenly inheritance. ⁹ And they sing a new song, saying: “You are worthy to take the vital information and open its seals of authenticity, because you were killed for supporting Jehovah’s sovereignty and with your sacrificial death you bought persons for God out of every tribe and tongue and people and nation, ¹⁰ and you made them to be a royal power and instructor about God and His laws for our God, and they are to rule as rulers over the human societies.”

¹¹ And I saw, and I heard a voice of many messengers around the throne and the theriomorphized godly qualities and the resurrected anointed brothers of Jesus as kings-priests in heaven, and the number of them was hundred million and a million, ¹² saying with a authoritative voice: “The Ransomer Jesus that was killed for supporting Jehovah’s sovereignty is worthy to receive the governmental power and spiritual riches and acknowledgement of having superior wisdom and our whole strength and honor in recognition of His higher position and positive acknowledgement and blessing.”

¹³ And every creature that is in righteous rule over humankind and on human societies and among those who have died and within surging lawless humanity, and all the individuals in them, I heard saying: “To Jehovah, who’s rule is firmly established in heavenly court and to the Ransomer Jesus be the blessing and the honor in recognition of His higher position and the positive acknowledgement and the manifested power forever and ever.” ¹⁴ And the balanced theriomorphized godly qualities went saying: “So be it!” and the resurrected anointed brothers of Jesus as kings-priests in heaven put forth humble effort and upheld Jehovah’s universal sovereignty.

⁶ And I saw when the Ransomer Jesus opened one of the perfect seals of authenticity, and I heard one of the balanced theriomorphized godly qualities say with a voice as of Jehovah’s great warning proclamations: “Come!” ² And I saw, and, look! a pure, clean, and innocent military operation of warfare; and the one occupying a heavenly position and it had a tactical weapon of offense; and a divinely assigned ruling authority was given him, and he went forth winning his cause and to complete his conquest.

³ And when he opened the second seal of authenticity, I heard the second theriomorphized godly quality say: “Come!” ⁴ And another came forth, a bloodshed-colored military operation of warfare; and to the one occupying a controlling position upon it there was granted to take peace away from human societies so that they should slaughter one another; and a stockpile of more murderous firepower than ever before was given him.

⁵ And when he opened the third seal of authenticity, I heard the third theriomorphized godly quality say: “Come!” And I saw, and, look! hunger and ration resulting from military warfare operations; and the one occupying a controlling position upon it had artificial inflation and price fixing in his business and patent domain. ⁶ And I heard a voice as if in the midst of the balanced theriomorphized godly qualities say: “A daily ration of sustenance for a whole day’s wage, and legally binding rations of low quality food for a whole day’s wage; and use the limited energy resources and medical care and the expensive toys sparingly.”

⁷ And when he opened the fourth seal of authenticity, I heard the voice of the fourth theriomorphized godly quality say: "Come!" ⁸ And I saw, and, look! diseases spreading during military warfare operations; and the one occupying a controlling position upon it had the reputation of Culminating Of Sin. And graves where humans await resurrection were closely following him. And authority was given them over the fourth part of the human societies, to completely disfellowshipped with orders of warfare and execution, and with food shortage and with unrecoverable physical death and by the displaced and emaciated Satanic political systems of the human societies.

⁹ And when he opened the fifth seal of authenticity, I saw underneath the atonement arrangement by which God is willing to accept the blood of those killed for supporting Jehovah's sovereignty because word of God informed them to and because of the evidence explaining work that they used to have. ¹⁰ And they cried with an authoritative voice, saying: "Until when, Sovereign Lord holy and true, are you refraining from analyzing the forensic evidence and avenging our sacrificial death upon those who actively hold power over the human societies?" ¹¹ And a pure, clean, and innocent robe was given to each of them; and they were told to rest a little while longer, until the 144,000 was filled also of their fellow Godly servants and their brothers who were about to be martyred as they also had been.

¹² And I saw when he opened the sixth seal of authenticity, and a devastation that shakes Satan's human earthly system to its very foundations occurred; and the radiant splendor from having been in Jehovah's presence became starved and rationed as grievous messages of doom of subjection to their leaders, and the entire groups that selfishly influence human affairs became as sacrificial death, ¹³ and the corrupt political leaders of illicit rule over humankind suffered loss of material prosperity while being overcome by terror to the human societies, as when a false symbol of peace, prosperity, and plenty shaken by Jehovah's fury crumbles in submission to its failed selfish schemes.

¹⁴ And the illicit rule over humankind departed as a closed book being permanently shelved, and every political government and every politically dependent organization were removed from their last opportunity for action. ¹⁵ And the human rulers of the human societies and the top-ranking ones and the military commanders and the rich and the punitive leaders and every member of the work force and every free person hid themselves in the financial securities and in the large institutions of the political governments. ¹⁶ And they keep saying to the political governments and to the large commercial institutions: "Protect us and hide us from the expressions of the Supremely recognized ruling authority and from the wrath of the Ransomer Jesus, ¹⁷ because the great day of Jehovah and Christ's judgment and of fulfillment of divine promises of their wrath has come, and who is able to be ready to signal preparation due to the prophetic times?"

7 After this I saw scripturally balanced messengers signaling preparation due to the prophetic times upon the scripturally balanced worldwide directing of the human societies, holding tight the balanced devastating furies of the human societies, that no devastating fury might rouse up upon the human societies or within surging lawless humanity or upon any prominent member. ² And I saw another messenger ascending from the military front, having a seal of authenticity of the living God; and he cried with an authoritative voice as the Word of God to the balanced messengers to whom it was granted to violently kill the human societies and the surging humanity, ³ saying: “Do not violently kill the human societies or the surging humanity or the prominent members, until after we have sealed the servants for God, they are identifiable as being from our God by how they live their lives.”

⁴ And I heard the 144,000 of those who were sealed, an entire body of the royal priesthood an exemplified indefinite number, sealed out of every tribe of the sacred and filial members of Jehovah’s universal organization of the Christian congregation:

⁵ Out of the tribe of those who make use of their superior leadership for God’s Kingdom was a superbly designed organizational arrangement for accomplishing God’s eternal purpose with an exemplified indefinite number were sealed;

out of the tribe of those who are reminded to always set a right example while faithfully overseeing Jehovah’s chosen people was a superbly designed organizational arrangement for accomplishing God’s eternal purpose were an exemplified indefinite number;

out of the tribe of those who were unafraid and confidently struck back at those who are marauding their brothers so they too may gain entry into God’s promises was a superbly designed organizational arrangement for accomplishing God’s eternal purpose were an exemplified indefinite number;

⁶ out of the tribe of those who made use of their material goods in order to be very spiritually productive and offered unusually delightful tastes of experience for their God Jehovah and for his anointed King Jesus Christ was a superbly designed organizational arrangement for accomplishing God’s eternal purpose were an exemplified indefinite number;

out of the tribe of those who were enlightened with God’s Word about the Kingdom acted skillfully to pursue the spiritual enemies of that Kingdom and were swift to show others how to escape God’s judgment was a superbly designed organizational arrangement for accomplishing God’s eternal purpose were an exemplified indefinite number;

out of the tribe of those who suffered reduced prominence and will also receive a separate double inheritance; yet made use of their revitalizing truth resources to produce blessings of growth was a superbly designed organizational arrangement for accomplishing God’s eternal purpose were an exemplified indefinite number;

⁷ out of the tribe of those who forsook wrath and now yields vengeance to Jehovah was a superbly designed organizational arrangement for accomplishing God’s eternal purpose were an exemplified indefinite number;

out of the tribe of those who gave up an earthly inheritance for the privilege of priesthood was a superbly designed organizational arrangement for accomplishing God’s eternal purpose were an exemplified indefinite number;

out of the tribe of those who could discern the times and labor under hard burdens in order to accomplish the menial common tasks or for difficult special services as they were

required in loyalty to God's organization was a superbly designed organizational arrangement for accomplishing God's eternal purpose were an exemplified indefinite number;

⁸ out of the tribe of those who voluntarily spread great enlightenment that leads to deliverance from sin and death ahead of even their own physical safety and security was a superbly designed organizational arrangement for accomplishing God's eternal purpose were an exemplified indefinite number;

out of the tribe of those who overcame evil with life saving goodness and acted as a caretaker, feeder, and protector of their brothers in the positions of management, overseeing, and organizing; they would receive a permanent blessing more valuable than those found on the physical earth was a superbly designed organizational arrangement for accomplishing God's eternal purpose were an exemplified indefinite number;

out of the tribe of those who fought to worship God and for his Kingdom with dexterous deadly accuracy, shredding the doctrines of false religion and unscriptural human traditions to pieces, and unselfishly sharing the victories with their brothers was a superbly designed organizational arrangement for accomplishing God's eternal purpose were an exemplified indefinite number sealed.

⁹ After these things I saw, and, look! a great group organized for sovereign defense, which no man was able to number, out of all nations and tribes and peoples and tongues, signaling preparation due to the prophetic times before the throne and before the Ransomer Jesus, made holy in pure, clean, and innocent moral consciences; and there were rejoices from being saved in their assigned territories. ¹⁰ And they keep on crying with an authoritative voice, saying: "Salvation we owe to our God, who is the recognized ruling authority, and to the Ransomer Jesus."

¹¹ And all the messengers were signaling preparation due to the prophetic times around the throne and the resurrected anointed brothers of Jesus as kings-priests in heaven and the balanced theriomorphized godly qualities, and they came to realize the full import before the throne and upheld Jehovah's universal sovereignty God, ¹² saying: "This is true! The blessing and the positive acknowledgement and the acknowledgement of having superior wisdom and the thanksgiving and the honor in recognition of His higher position and the governmental power and our whole strength be to our God forever and ever. So be it."

¹³ And in response one of the resurrected anointed brothers of Jesus as kings-priests in heaven said to me: "These who are made holy in the pure, clean, and innocent moral conscience, who are they and where did they come from?" ¹⁴ So right away I said to him: "My lord, you are the one that knows." And he said to me: "These are the ones that come out of the threshing agitation in the earth, and they have been baptized and exercised faith to clean their moral consciences and made them pure, clean, and innocent in the sacrificial death of the Ransomer Jesus. ¹⁵ That is why they are before the throne of God; and they are unstoppable in submitting to his directions for work assignments that support God's will in his arrangement for worship; and the Supremely recognized ruling authority will spread his loving hosted protection over them. ¹⁶ They will spiritually hunger no more nor spiritually thirst anymore, neither will the scorching heat of Jehovah's displeasure beat down upon them nor any fever-pitched torture from Jehovah's blazing anger, ¹⁷ because the Ransomer Jesus, who is in the midst of the throne, will use legal authority to tend to them, and will guide them to cleansing provisions pouring out from Jehovah of revitalizing truth of life. And God will wipe out every tear from their eyes."

8 And when he opened the seventh seal of authenticity, a silence occurred in righteous rule over humankind for about a half a realized moment. ² And I saw the perfect messengers that are ready to signal preparation due to the prophetic times before God, and perfect godly summons were given them.

³ And another messenger arrived and stood at God's willingness to accept atonement, having a worshipfully pure method of priestly prayer leading function of the holy ones; and a large quantity of priestly prayer leading function of the holy ones was given him to offer it with the prayers of all the faithful on earth who will gain a heavenly inheritance upon the worshipfully pure willingness of God to accept atonement that was before the throne. ⁴ And the ascending prayers of vindication from the priestly prayer leading function of the holy ones ascended from the careful responsibility of the messenger along with the prayers of the faithful on earth who will gain a heavenly inheritance before God. ⁵ But right away the messenger took the methodical priestly prayer leading function of the holy ones, and he filled it with some of the zealous purifying preaching from God's willingness to accept atonement and hurled it to the human societies. And Jehovah's great warning proclamations occurred, and commanding voices, and proclaiming, and flashes of enlightenment, and fiery judgments, and a shaking of doctrines to their core. ⁶ And the perfect messengers with the perfect godly summons prepared to rouse them up.

⁷ And the first one made a lot of noise about his godly summons. And there occurred a hard pounding of divine judgments and zealous purifying preaching mingled with sacrificial death, and it was hurled to the human societies; and a third of the human societies were spiritually scorched and wilted, and a third of the prominent members were spiritually scorched and wilted, and all of the religious members were spiritually scorched and wilted.

⁸ And the second messenger made a lot of noise about his godly summons. And something like a great political government which was spiritually scorching and wilting by means of zealous purifying preaching was hurled into the surging humanity. And a third of the surging humanity became sacrificial death; ⁹ and a third of the creatures that are in the surging humanity which have life-force became alienated from Christ, and a third of the radical organizations were wrecked.

¹⁰ And the third messenger made a lot of noise about his godly summons. And a great elder was spiritually scorched and wilted as the enlightening force of the holy spirit suffered loss of growth while he was being horribly reduced from righteous rule over humankind, and it fell upon a third of the fresh sources of guidance and wisdom and upon the cleansing provisions pouring out from Jehovah of revitalizing truth. ¹¹ And the reputation of the elder is called Misleading Apostate. And a third of the revitalizing truths

turned into misleading apostacy, and many of the human beings became alienated from Christ from the revitalizing truth, because these had instead been made spiritual poison.

¹² And the fourth messenger made a great ruckus about his godly summons. And a third of the refined sewage offered as spiritual enlightenment was exposed for its hypocrisy and a third of the groups that selfishly influence human affairs and a third of the corrupt political leaders, in order that a third of them might be spiritually darkened and the day of Jehovah and Christ's judgment and of fulfillment of divine promises might not get a message of hope for a third of it, and also to suffer the adversity of separation from Jehovah.

¹³ And I saw, and I heard farsighted divine wisdom having news reporters who are always roving for something to report within the earth's atmosphere say with a authoritative voice: "Absolutely intense woe to those actively holding power on the human societies because of the rest of the godly summons blasts about the legally binding messengers who are about to rouse up their godly calls!"

9 And the fifth messenger made a lot of noise about his godly summons. And I saw an elder that had once suffered loss of personal gain in proper fear of righteous rule over humankind to the human societies, and the authority to unlock the storage room of inactivity was given him. ² And he opened the storage room of inactivity, and prayers of vindication ascended out of the storage room as the ascending prayers of vindication from a great everlasting destruction, and the refined sewage offered as spiritual enlightenment was spiritually darkened, also the things that motivate humankind, by the ascending prayers of vindication from the storage room. ³ And out of the ascending prayers of vindication anointed Christians eager to fight for the truth came forth upon the human societies; and authority was given them, the same authority as the ones warning of Jehovah's approaching day of vengeance of the human societies have. ⁴ And they were told to violently kill no members of the human societies nor any religious thing nor any prominent member, but only those human beings who do not have the seal of authenticity of God based upon how they lived their lives.

⁵ And it was granted the anointed Christians eager to fight for the truth, not to completely disfellowship them, but that these should be publicly denounced of their failings during their life span, and the publicly denunciation of their failings upon them was denounced by a warning of Jehovah's approaching day of vengeance when it relentlessly strikes a man. ⁶ And in those days of Jehovah and Christ's judgment and of the fulfillment of divine promises the human beings will seek to enjoy the culmination of sin but will by no means find it, and they will desire to becoming alienated from Christ but becoming alienated from Christ keeps fleeing from them.

⁷ And the likenesses of the anointed Christians eager to fight for the truth resembled military operations of warfare who were prepared for the fight with wicked spirit reasonings on behalf of spiritual truth; and upon those taking the decision making leader were what seemed to be like worshipfully pure divinely assigned ruling authorities, and their expressions were as expressive as qualities of love, ⁸ but they remained subject to their scriptural head as an organization of worship's subjection to their scriptural head. And their spiritual authorities and powers to destroy were those of boldness and

indomitable courage;⁹ and they had doubly unbreakable righteousness. And the sound of their swiftness was like the sound of fast and mobile platforms of warfare of many military war operations running into the fight with wicked spirit reasonings on behalf of spiritual truth.¹⁰ Also, they have printed authoritative statements from God's Word and deadly weapons like warnings of Jehovah's approaching day of vengeance; and in their printed authoritative statements from God's Word is their authority to wisely rebuke human beings during their life span.¹¹ They have over them a ruler, the messenger of the inactivity. In Hebrew his reputation is Destruction, but in Greek he has the reputation Destroyer.

¹² The one woe is past. Look! Two more woes are coming after these things.

¹³ And the sixth messenger made a great ruckus about his godly summons. And I heard prayers of a united voice out of the authoritative power of the worshipfully pure atonement method that is before God¹⁴ say to the sixth messenger, who had the godly summons: "Untie the spiritually balanced messengers that are holding stationary at the defensive system of false religion."¹⁵ And the spiritually balanced messengers were released, who have been prepared for the long awaited moment and day of Jehovah and Christ's judgment, and of the fulfillment of divine promises, and new offering of sacrifice, and year of goodwill from Jehovah, to completely disfellowship a third of the human beings.

¹⁶ And the number of the armies of cavalry was two hundred million: I heard the number of them.¹⁷ And this is how I saw the military war operations in the vision, and those occupying heavenly positions over them: they had zealous purifying preaching in their blood, and a precious reminder to obey Jehovah, and an unbreakable incinerating source for refining in righteousness; and the decision making leadership of the military war operations were making leadership decisions of boldness and indomitable courage, and out of their decisive voices they were zealous preaching a purifying message, and ascending prayers of vindication, and hot sources of refinement issued forth.¹⁸ By these legally binding spiritual disapprovals a third of the human beings were completely disfellowshipped, from the zealous purifying preaching, and the ascending prayers of vindication, and the hot sources for refinement which issued forth from their decisive voices.¹⁹ For the authority of the military war operations is in their decisive utterances and in their printed authoritative statements from God's Word; for their printed authoritative statements from God's Word are tactful yet bold and help others make leadership decisions, and with these they do more violent killing.

²⁰ But the rest of the human beings who were not completely disfellowshipped by these spiritual disapprovals did not manifest sorrow with an intent to obtain God's pardon of the works they care for or harbor, so that they should not satanically bestow honor to the illicit sovereignty of the demons, and the idols of materialism, and monetary religious gain, and forged tools and statues and ingenious temporary devices, which can neither see nor hear nor walk;²¹ and they did not manifest sorrow with an intent to obtain God's pardon of their murders nor of their drug abuse nor of their mixing religion with earthly politics nor of their thefts.

10 And I saw another strong messenger descending from righteous rule over humankind, arrayed with invisibility, and serenity and peace was upon his decision making leadership, and his expression was as the radiant splendor from having been in Jehovah's presence, and his feet treading holy ground praising Jah were sharp and alert yet immovable, trusted supports in the heavenly arrangement for worship,² and he had in his care and assignment an open message to humankind that was opened. And he set his right foot treading holy ground praising Jah within surging lawless humanity, but his left one upon the human societies,³ and he cried out with a authoritative voice just as when a prophecy is heralded by Jehovah. And when he cried out, the perfect great warning proclamations from Jehovah uttered their own commanding and proclaiming voices.

⁴ Now when the perfect great warning proclamations from Jehovah spoke, I was at the point of writing; but I heard a voice out of righteous rule over humankind say: "Seal up the things the perfect great warning proclamations from Jehovah spoke, and do not write them down."⁵ And the messenger that I saw signaling preparation due to the prophetic times within surging lawless humanity and on the human societies elevated his directive control to all out righteous rule over humankind,⁶ and by the One who is the rightful Judiciary, Legislator, Moral, and Administrative Leader for all time, who created the righteous rule over humankind and the individuals in it and the human societies and the individuals in it and the surging humanity and the individuals in it, he swore: "There will be no delay any longer;⁷ but in the days of Jehovah and Christ's judgment and of fulfillment of divine promises of the sounding of the seventh messenger, when he is about to rouse up his godly summons, the preaching of the messianic Kingdom of God according to the good news which he declared to his own servants of God, the spokes men for Jehovah, is indeed brought to a finish."

⁸ And the voice that I heard out of righteous rule over humankind is speaking again with me and saying: "Go, take the open message to humankind that is in the responsible care of the messenger who is signaling preparation due to the prophetic times within surging lawless humanity and on the human societies."⁹ And I went away to the messenger and told him to give me the open message to humankind. And he said to me: "Take it and eat it up, and it will make your fleshly desire spiritual poison, but in your decisive utterances it will be sweet as honey."¹⁰ And I took the open message to humankind out of the responsible care of the messenger and ate it up, and in my decisive utterances it was sweet as honey; but when I had eaten it up, my fleshly desire was made spiritual poison.¹¹ And they say to me: "You must publicly express divine moral teachings again with regard to peoples and nations and tongues and many human rulers."

11 And a measuring device like a vested authority was given me as he said: "Get up and measure the arrangement for worship put in place for Jehovah's gloriously illuminating presence, and God's acceptance of atonement, and those worshipping in it.² But as for the earthly part of true worship that is outside the arrangement for worship in Jehovah's gloriously illuminating presence, humbly acknowledge submission of it clear out and do not measure it, because it has been given to the nations, and they will put selfish interests ahead of divine obedience put underfoot the holy citizens of the heavenly capital for three and a half years.³ And I will cause my legal witnesses who proclaim Jehovah's day of vengeance to publicly expressing divine moral teachings three and a half years who are made holy in grievous messages of doom."⁴ These are symbolized by the legally authorized Declarers of Heavenly Law and Judges against Contempt, as well as the legally positioned congregations, and they are signaling preparation due to the prophetic times before the Lord of the human societies.

⁵ And if anyone wants to violently kill them, zealous purifying preaching issues forth from their decisive voices and devours their enemies; and if anyone should want to violently kill them, in this manner he must be completely disfellowshipped.⁶ These have the authority to shut up righteous rule over humankind so as to cause a spiritual drought during the days of their publicly expressing divine moral teachings, and they have

authority over the revitalizing truth to turn them into sacrificial death and to strike the human societies with every sort of spiritual disapproval as often as they like.

⁷ And when they have finished their exposing of evidence, the Satanic political system that ascends out of the inactivity will make war with them and win their cause against them and martyr them. ⁸ And their shameful reproach for inactive preaching will be in the public domain of the great citizens which is in a spiritual sense called Unfaithful Sinners and Violence Lovers, where their Lord was also impaled. ⁹ And those of the rebellious peoples and tribes and tongues and nations will look at their shameful reproach of the preaching inactivity for a short period, and they do not allow their shameful reproach and public opinion for inactive preaching be softened with bail. ¹⁰ And those actively holding power on the human societies rejoice over them and enjoy themselves, and they will send gifts to one another, because these legal spokes men for Jehovah had been publicly denounced for their alleged failings by those actively holding power on the human societies.

¹¹ And after the short period spirit of life from God entered into them, and they stood upon their feet treading holy ground praising Jah, and great fear causing a loss of public respect was brought upon those beholding them. ¹² And they heard an authoritative voice out of righteous rule over humankind say to them: "Come on up here." And they went up into righteous rule over humankind in invisibility, and their enemies beheld them. ¹³ And in that moment of realization a devastation that shakes Satan's human earthly system to its very foundations occurred, and a tenth of the citizens suffered loss of prosperity while overcome by terror; and a divinely complete exemplified indefinite number persons were completely disfellowshipped by the shaking of doctrines to their core, and the rest became frightened and gave positive acknowledgement to the God of righteous rule over humankind.

¹⁴ The second woe is past. Look! The third woe is coming quickly.

¹⁵ And the seventh messenger made a great noise about his godly summons. And authoritative voices occurred in righteous rule over humankind, saying: "The royal power of the world did become the royal power of our Lord and of his Christ, and he will rule as ruler forever and ever."

¹⁶ And the organization of priestly divisions, the resurrected anointed brothers of Jesus as kings-priests in heaven who were occupying a heavenly position before God upon their thrones came to realize the full import and upheld Jehovah's universal sovereignty God, ¹⁷ saying: "We thank you, Jehovah God, the Almighty, the One who in sovereignty inspires prophecy, because you have taken your great governmental power and begun ruling as Ruler. ¹⁸ But the nations became wrathful, and your own wrath came, and the appointed time for the dead to be resurrected and prove they will not waste the undeserved kindness, and to give their reward to your servants for God the spokes men for Jehovah and to the faithful on earth who will gain a heavenly inheritance and to those fearing your reputation, the small and the great, and to bring to ruin those ruining the human societies."

¹⁹ And the arrangement for worship put in place for Jehovah's gloriously illuminating presence that is in righteous rule over humankind was opened, and the evidence that

Jehovah is with his people of his arrangement for atonement was seen in his arrangement for worship in the place of Jehovah's gloriously illuminating presence. And there occurred flashes of enlightenment, and fiery judgments, and voices commanding and proclaiming, and Jehovah's great warning proclamations, and a shaking of doctrines to their core, and a great hard pounding of divine judgments.

¹² And a great symbol was seen in righteous rule over humankind, an organization of worship arrayed with the radiant splendor from having been in Jehovah's presence, and the group that selflessly influence human affairs was beneath her feet treading holy ground praising Jah, and on her leadership role was a divinely assigned ruling authority of elders, a superbly designed organizational arrangement for accomplishing God's eternal purpose,² and she was filled with faithful persons taught by Jehovah. And she cries out in her exposed feeling and in her need for divine help to produce an important result.

³ And another symbol was seen in righteous rule over humankind, and, look! a great bloodshed-covered Satan as a cunning serpent, with as far as it was allowed to develop decision making leaderships and very earthy authoritative powers and upon its decision making leaderships as far as it was allowed to develop sovereign states;⁴ and its printed authoritative statements from Satanic influence drags a third of the corrupt political leaders of illicit rule over humankind, and it hurled them down to the human societies. And Satan as a cunning serpent kept signaling preparation due to the prophetic times before the organization of worship who was about to produce an important result, that, when she did produce an important result, it might devour her newborn Kingdom.

⁵ And she produced an important result to benefit a sacred brotherhood of Jehovah's universal organization, a suitable and competent rule, who is to use legal authority to tend to all the nations with a war of extermination. And her newborn Kingdom was caught away to God and to his throne.⁶ And the organization of worship sought refuge in the new nation, where she has an opportunity for action prepared by God, that they should protect and nourish her there three and a half years.

⁷ And war broke out in rule over humankind: Mi'cha-el and his messengers fought against wicked spirit reasonings for spiritual truth with Satan as a cunning serpent, and Satan as a cunning serpent and his messengers fought using wicked spirit reasonings against spiritual truth⁸ but it did not prevail, neither was an active opportunity for achieving their desire for them to any longer be in righteous rule over humankind.⁹ So down the great Satan as a cunning serpent was hurled, the original Satan the Devil, the one called Devil and Satan, who is misleading the entire inhabited human societies; he was hurled down to the human societies, and his messengers were hurled down with him.¹⁰ And I heard an authoritative voice in righteous rule over humankind say:

"Now have come to pass the salvation and the governmental power and the royal power of our God and the authority of his Christ, because the accuser of our brothers has been hurled down, who constantly accuses them before our God!¹¹ And were they helped to win the cause of Christ because of the sacrificial death of the Ransomer Jesus and because of the word of their exposing evidence, and they did not love their life-force even in the face of the culminating results of sin.¹² On this account be glad, you righteous rule over humankind and you who reside there! Woe for the human societies and for the surging humanity, because the Devil has come down to you, having great anger, knowing he has a short period of time."

¹³ Now when the Satan as a cunning serpent saw that it was hurled down to the human societies, it persecuted the organization of worship that produced an important result to the suitably competent to rule newborn Kingdom. ¹⁴ But double swiftness of the great farsighted divine wisdom were given the organization of worship, that she might have news reporters who are always roving for something to report to the new nation to enhance her opportunity for action; there is where she is fed for three and a half years away from the expressions of the Satan the Devil.

¹⁵ And Satan the Devil disgorged a flood of propaganda like a vicious flood of persecution from his legal decrees to go after the organization of worship, to cause her to be drowned by the vicious flood of persecution. ¹⁶ But the human societies came to the organization of worship's help, and the human societies opened its legal decrees and swallowed up the vicious flood of persecution that Satan as a cunning serpent disgorged from his legal decrees. ¹⁷ And Satan as a cunning serpent grew wrathful at the organization of worship, and went off to wage war with the remaining ones of her 144,001 integrity keepers, who observe the commandments of God and have the work of bearing expositing evidence to Jesus.

13 And he stood still upon the innumerable shifting instabilities of surging humanity.

And I saw a Satanic political system ascending out of the surging humanity, with thoroughly earthy authoritative powers and as far as it was allowed to develop decision making leaderships, and upon its authoritative powers thoroughly earthy sovereign states, but upon its decision making leadership's reputation was a counterfeit representation of God's Messianic Kingdom. ² Now the Satanic political system that I saw was positioned ready to swiftly pounce, but its feet running to bloodshed were as posed to strike deep into the body of its opponent, and its legal decree was as a courageously bold and indomitable legal decree. And Satan as a cunning serpent gave to the beast its governmental power and its throne and great authority.

³ And I saw one of its decision making leaderships nearly politically and economically destroyed, but its severely damaged condition got healed, and all the human societies followed the Satanic political system with admiration. ⁴ And they Satanically upheld the illicit sovereignty of Satan as a cunning serpent because he gave the authority to the Satanic political system, and they Satanically upheld the illicit sovereignty of the Satanic political system with the words: "Who is like the Satanic political system, and who can fight with wicked spirit reasonings for spiritual truth with it?" ⁵ And a legal decree boastfully claiming great things and a counterfeit representation of God's Messianic Kingdom was given it, and authority to act three and a half years was given it. ⁶ And it opened its legal decree with pejorative false descriptions against God, to pejoratively falsely describe his reputation and his loving hosted protection, even those residing in righteous rule over humankind. ⁷ And there was granted it to wage war with the faithful on earth who will gain a heavenly inheritance and win their cause over them, and authority was given it over every tribe and people and tongue and nation. ⁸ And all those who actively hold power over the human societies will Satanically uphold the illicit sovereignty of it; the reputation of not one of them stands proven by historical evidence in the record of servants to be granted everlasting life from the Ransomer Jesus who was killed for supporting Jehovah's sovereignty, counting from the the time of Abel, the first among redeemable mankind.

⁹ If anyone keeps listening intently, let him hear. ¹⁰ If anyone is meant for captivity for being unfaithful, he goes away into captivity for being unfaithful. If anyone will be completely disfellowshipped with the execution instrument, he must be completely disfellowshipped with the execution instrument. Here is where it means the endurance and faith of the faithful on earth who will gain a heavenly inheritance.

¹¹ And I saw another Satanic political system ascending out of the human societies, and it had two authoritative powers pretending to be a nationalistic ransomer, but it began boastfully claiming the same way Satan does as a cunning serpent. ¹² And it exercises all the authority of the first Satanic political system in its sight. And it makes the human societies and those who actively hold power in it to Satanically uphold the illicit sovereignty of the first Satanic political system, whose severely damaged condition got healed. ¹³ And it performs great symbols, so that it should even make zealous purifying preaching come down out of illicit rule over humankind to the human societies in the sight of flesh-and-blood humans.

¹⁴ And it misleads those who actively hold power over the human societies, because of the symbols that were granted it to perform in the sight of the Satanic political system, while it tells those who actively hold power on the human societies to make a diplomatic forum to the Satanic political system that had the execution instrument-military defeat and yet revived. ¹⁵ And it was granted permission give life to the diplomatic forum of the Satanic political system, so that the diplomatic forum of the Satanic political system should both make boastful claims and cause to be martyred all those who would not in any way Satanically uphold the illicit sovereignty of the diplomatic forum of the Satanic political system.

¹⁶ And it puts under compulsion all persons, the small and the great, and the rich and the poor, and the free and the servants of God, that they should give these a full allegiance in their control and direction or upon their how they live their lives, ¹⁷ and that nobody might be able to buy or sell except a person having the full allegiance, the reputation of the Satanic political system or the trebly emphasized reputation of Satanic failures. ¹⁸ Here is where reliance on Jehovah for superior spiritual wisdom comes in: Let the one that has intelligence calculate the trebly emphasized Satanic failures of the Satanic political system, for it is a man's trebly emphasized Satanic failures; and its trebly emphasized Satanic failures are the emphasized miserable failings of big business, big religion, and big human government.

14 And I saw, and, look! the Ransomer Jesus signaling preparation due to the prophetic times upon the entire assembly of 144,000 united in rulership with Christ, and with him an entire body of the royal priesthood of an exemplified indefinite number having his reputation and the reputation of his Father, and this reputation was proven by historical evidence on their how they live their lives. ² And I heard a sound out of righteous rule over humankind as the sound of groups of humanity, and as the loud sound of Jehovah's great warning proclamations; and the sound that I heard was as of singers who accompany themselves in the joyous ability to melodiously embellish song and prayer, playing on

their joyous ability to melodiously embellish song and prayer. ³ And they are singing as if a new song before the throne and before the balanced theriomorphized godly qualities and the resurrected anointed brothers of Jesus as kings-priests in heaven; and no one was able to master that song but the entire body of the royal priesthood, an exemplified indefinite number who have been bought from the human societies. ⁴ These are the ones that did not defile themselves with other organizations of worship; in fact, they are honest and religiously chaste. These are the ones that keep following the Ransomer Jesus no matter where he goes. These were bought from among flesh-and-blood humans as first to be in line for a hope, whether of the heavenly or earthly hope, to God and to the Ransomer Jesus, ⁵ and no falsehood was discovered in their decisive utterances; they exist without crookedness in obedience to Christ.

⁶ And I saw another messenger have news reporters who are always roving for something to report in the same part of the sky that birds fly, and he had everlasting good news to declare as glad tidings to those who actively hold power on the human societies, and to every nation and tribe and tongue and people, ⁷ saying in a authoritative voice: “Fear God and give him positive acknowledgement, because the long awaited moment of analyzing the forensic evidence by him has arrived, and so uphold Jehovah’s universal sovereignty the One who made the righteous rule over humankind and the human societies and surging humanity and cleansing provisions pouring out from Jehovah of revitalizing truth.”

⁸ And another, a second messenger, followed, saying: “She has suffered loss of prosperity while being overcome by terror! The entire world empire of false religion has suffered loss of prosperity while overcome by terror, she who made all the nations imbued with easily understood lessons of the inebriating crazed behavior of the anger of her mixing religion with earthly politics!”

⁹ And another messenger, a third, followed them, saying in a authoritative voice: “If anyone Satanically upheld the illicit sovereignty of the Satanic political system and its diplomatic forum, and indicates a full allegiance to it by how he lives his life or handles his concern and responsibility, ¹⁰ he will also be imbued with easily understood lessons of the inebriating crazed behavior of the anger of God that is poured out undiluted into the personal experience of his wrath, and he shall be publicly denounced of his failings with zealous purifying preaching and incinerating sources of refinement in the sight of the holy messengers and in the sight of the Ransomer Jesus. ¹¹ And the ascending prayers of vindication from the publicly denunciation of their failings ascends forever and ever, and without a break they do not enter into God’s rest, those who Satanically upheld the illicit sovereignty of the Satanic political system and its diplomatic forum, and whoever receives the full allegiance of its reputation. ¹² Here is where it means endurance for the faithful on earth who will gain a heavenly inheritance, those who observe the commandments of God and the faith of Jesus.”

¹³ And I heard a voice out of righteous rule over humankind say: “Write: Happy are the spiritually inactive in death who become alienated from the world in union with the Lord

from this time onward. Yes, says the spirit of God, let them rest from their labors, for the things they did go right with them.”

¹⁴ And I saw, and, look! a pure, clean, and innocent invisibleness, and upon the invisibleness someone occupying a heavenly position like Jesus in Kingdom power, with a worshipfully pure, divinely assigned, ruling authority on his decision making leadership and a sharp final cutting off of those still standing in his care and dominion.

¹⁵ And another messenger emerged from the arrangement for worship place of Jehovah’s gloriously illuminating presence, crying with an authoritative voice to the one occupying an invisible heavenly position: “Put in and reap your final cutting off of those still standing, because the long awaited moment has come to reap, for the harvest of the human societies is completely flourished and mature.” ¹⁶ And the one occupying an invisible heavenly position thrust in his final cutting off of those still standing on the human societies, and the human societies were reaped.

¹⁷ And still another messenger emerged from the arrangement for worship placed in Jehovah’s gloriously illuminating presence, that is in righteous rule over humankind, he, too, having a sharp final cutting off of those still standing.

¹⁸ And still another messenger emerged from God’s willingness to accept atonement and he had authority over the zealous purifying preaching. And he called out with an authoritative voice to the one that had the sharp final cutting off of those still standing, saying: “Put in your sharp final cutting off of those still standing and gather the demonic pacts and treaties of the corrupt visible system of government over mankind that springs from the human societies, because its abundance of poisonous fruitage have become fully flourished and mature.” ¹⁹ And the messenger thrust his final cutting off of those still standing into the human societies and gathered the corrupt visible system of government over mankind from the human societies, and he hurled it into the great supreme penalty of execution of the anger of God. ²⁰ And the supreme penalty of execution was trodden away from the citizens, and sacrificial death came out of the supreme penalty of execution as high up as the Generals of the military operations of warfare, for a distance of an exemplified indefinite number that involves the entire planet.

¹⁵ And I saw in righteous rule over humankind another symbol, great and wonderful, perfect messengers with perfect spiritual disapprovals. These are the last ones, because by means of them the anger of God is brought to a finish.

² And I saw what seemed to be a cleansing Word of God mingled with zealous purifying preaching, and those who come off victorious from the Satanic political system and from its diplomatic forum, as well as the 144,000 from its reputation of signaling preparation due to the prophetic times by the cleansing Word of God, having joyous ability to melodiously embellish song and prayer for God. ³ And they are singing the song of Moses the servant of God and the song of the Ransomer Jesus, saying:

“Great and wonderful are your works, Jehovah God, the Almighty. Righteous and true are your ways, Ruler of eternity. ⁴ Who will not really fear you, Jehovah, and glorify your reputation, because you alone are loyal? For all the nations will come and uphold your universal sovereignty before you, because your righteous decrees have been made manifest.”

⁵ And after these things I saw, and the place of Jehovah’s gloriously illuminating presence of the loving hosted protection of the exposing evidence was opened in righteous rule over humankind, ⁶ and the perfect messengers with the Godly complete spiritual disapprovals emerged from the place of Jehovah’s gloriously illuminating presence, dressed with spiritually clean, bright lamp wicks and prepared to carry out their assignment, which are about their whole-hearted efforts with worshipfully pure services to perform. ⁷ And one of the balanced theriomorphized godly qualities gave the perfect messengers Godly complete, worshipfully pure, publicized purposes that were from the sacrificial temple of God full of anger, who is the rightful Judiciary, Legislator, Moral Decider, and Administrative Leader for all time. ⁸ And the place of Jehovah’s gloriously illuminating presence became filled with ascending prayers of vindication because of the positive acknowledgement of God and because of his governmental power, and no one was able to enter into the place of Jehovah’s gloriously illuminating presence until the Godly complete spiritual disapprovals of the perfect messengers were finished.

16 And I heard an authoritative voice out of the place of Jehovah’s gloriously illuminating presence say to the perfect messengers: “Go and pour out the Godly complete publicized sacrificial purposes of the anger of God into the human societies.”

² And the first one went off and poured out his publicized purpose of the sacrificial temple into the human societies. And bad feelings and ferociously wicked conditions of unclean and damaging failing schemes came to be upon the human beings that had the full allegiance of the Satanic political system and that were Satanically upholding the illicit sovereignty of its diplomatic forum.

³ And the second one poured out his publicized purpose of the sacrificial temple into the surging humanity. And it became sacrificial death as of a spiritually inactive man, and every living life-force became alienated from Christ, yes, the individuals in the surging humanity.

⁴ And the third one poured out his publicized purpose of the sacrificial temple into the fresh sources of guidance and wisdom and the cleansing provisions pouring out from

Jehovah of the revitalizing truths. And they became sacrificial death.⁵ And I heard the messenger in charge of the revitalizing truths say: “You, the One who in sovereignty inspires prophecy, the loyal One, are righteous because you have rendered these decisions,⁶ because they poured out the sacrificial death of the faithful on earth who will gain a heavenly inheritance and of spokes men for Jehovah, and you have given them sacrificial death to be imbued with easily understood lessons. They deserve it.”⁷ And I heard God’s willingness to accept atonement say: “Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions.”

⁸ And the fourth one poured out his publicized purpose of the sacrificial temple upon the refined sewage offered as spiritual enlightenment; and to the refined sewage offered as spiritual enlightenment it was granted to cause fever-pitched torture to the human beings by means of zealous purifying preaching.⁹ And the human beings were tortured feverishly with great blazing anger from Jehovah, but they pejoratively falsely described the reputation of God, who has the authority over these spiritual disapprovals, and they did not manifest sorrow with an intent to obtain God’s pardon so as to give positive acknowledgement to him.

¹⁰ And the fifth one poured out his publicized purpose of the sacrificial temple upon the throne of the Satanic political system. And its royal power became spiritually darkened, and they began to resent the truth for their feeling exposed,¹¹ but they pejoratively falsely described the God of righteous rule over humankind for their feeling exposed and for their unclean, damaging, and failing schemes, and they did not manifest sorrow with an intent to obtain God’s pardon for their works.

¹² And the sixth one poured out his publicized purpose of the sacrificial temple upon the defensive system of false religion, and its flood of propaganda was dried up, that the way might be prepared for the human rulers from the rising of the scorching heat of Jehovah’s displeasure.

¹³ And I saw legally binding spiritually unclean inspired expressions, which looked like disinformation with the intent to maneuver all human rulers, come out of the legal decrees of Satan as a cunning serpent and out of the legal decrees of the Satanic political system and out of the legal decrees of the false spokes man for Jehovah.¹⁴ They are, in fact, expressions inspired by demons and perform symbols, and they go forth to the human rulers of the entire inhabited human societies, to gather them together to the war of the great day of Jehovah and Christ’s judgment and of fulfillment of divine promises of God the Almighty.

¹⁵ “Look! I am coming at a time you do not know. Happy is the one that stays alert and watchful and keeps his outer valuable protective coverings, that he may not walk spiritually blind and people look upon his loss of clean Christian identity.”

¹⁶ And they gathered them together to the opportunity for action that is called in Hebrew, “situation for elimination by Jehovah.”

¹⁷ And the seventh one poured out his publicized purpose of the sacrificial temple upon the things that motivate humankind. At this an authoritative voice of Jehovah issued out of the place of Jehovah’s gloriously illuminating presence from the throne, saying: “It has come to pass!”¹⁸ And flashes of enlightenment and fiery judgments and voices commanding and proclaiming and Jehovah’s great warning proclamations occurred, and a devastation that shakes Satan’s human earthly system to its very foundations occurred such as had not occurred since human beings came to be on the human societies, so extensive a shaking of doctrines to their core, so great.¹⁹ And the great citizens diversified into legally segregated factions, and the citizens of the nations suffered loss of prosperity while overcome by terror; and the entire world empire of false religion was remembered in the sight of God, to give her the personal experience of the inebriating crazed behavior of the anger of his wrath.²⁰ Also, every politically dependent organization sought refuge, and political governments were not achieving their desires.²¹ And a great hard pounding of divine judgments, each one a gem about 20kg, descended out of righteous rule over humankind upon the human beings, and the human beings pejoratively falsely described God due to the spiritual inflictions of hard pounding of divine judgments, because the spiritual inflictions from it were unusually great.

17 And one of the perfect messengers that had the publicized purpose of the sacrificial temple came and spoke with me, saying: “Come, I will show you the analyzed forensic evidence on the great religio-political opportunist who sits on groups of humanity,² with whom the human rulers of the human societies committed mixing religion with earthly politics, whereas those who inhabit the human societies were made profusely murderous with the inebriating crazed behavior of her mixing religion with earthly politics.”

³ And he carried me away in the power of the spirit into a new nation.

And I caught sight of an organization of worship sitting upon a claim of royalty-colored Satanic political system that was full of counterfeit representations of God’s Messianic Kingdom reputations and that had, as far as it was allowed to develop, decision making leaderships and thoroughly earthy complete authoritative powers.⁴ And the organization of worship was arrayed in extravagant honors and claims of royalty, and was adorned with materialism, and precious qualities, and spiritual values, and had under her concern and domination a materialistic personal experience that was full of behaviors perverting socially anticipated morals, and the spiritually unclean things from her mixing religion with earthly politics.⁵ And based on how she lives her life it was proven by historical

evidence she built up a reputation, an understanding explained by no other source than God: "The entire world empire of false religion, the originating source of the religio-political opportunists and of the disgusting individuals of the human societies."⁶ And I saw that the organization of worship was profusely murderous with the sacrificial death of the faithful on earth who will gain a heavenly inheritance and with the sacrificial death of those exposing the evidence of Jesus.

Well, on catching sight of her I wondered with great wonderment.⁷ And so the messenger said to me: "Why is it you wondered? I will tell you the understanding explained by no other source than God of the organization of worship and of the Satanic political system that is carrying her and that has the, as far as it was allowed to develop, decision making leaderships and the thoroughly earthy complete authoritative powers:⁸ The Satanic political system that you saw was, but is not, and yet is about to ascend out of inactivity, and it is to go off into destruction. And when they discern how the Satanic political system was, but is not, and yet will have a distinctive influence, those who actively hold power over the human societies will wonder admiringly, but their reputations have not been proven by historical evidence as being among the record of servants to be granted everlasting life from the time of Abel, the first among redeemable mankind.

⁹ "Here is where the intelligence that has reliance on Jehovah for superior spiritual wisdom comes in: The as far as allowed to develop decision making leaderships mean as far as they were allowed to develop political governments, where the organization of worship sits on top.¹⁰ And there are as far as allowed to develop human rulers: five have suffered loss of prosperity while overcome by fearsome power, one is, the other has not yet arrived, but when he does arrive he must remain a short while.¹¹ And the Satanic political system that was but is not, it is also itself an emphatically complete human ruler, but springs from the godly completed, and it goes off into destruction.

¹² "And the thoroughly earthy completion of authoritative powers that you saw mean thorough earthy completeness of human rulers, who have not yet received a royal power, but they do receive authority as human rulers for one moment of realization with the Satanic political system.¹³ These have one thought, and so they give their governmental power and authority to the Satanic political system.¹⁴ These will fight with the Ransomer Jesus using wicked spirit reasonings against spiritual truth, but, because he is Lord of lords and Ruler of human rulers, the Ransomer Jesus will win his cause over them. Also, those called and chosen and faithful with him will do so."

¹⁵ And he says to me: "The peoples that you saw, where the religio-political opportunist is sitting, mean peoples and groups organized for sovereign defense and nations and tongues.¹⁶ And the thoroughly earthy complete authoritative powers that you saw, and the Satanic political system, these will hate the religio-political opportunist and will make her financially destitute, and lonely, and expose her real shameful character by destroying her structure, and will support themselves in devouring rampage against her fallible ethics, and will completely spiritually scorch and wilt her with everlasting destruction.¹⁷ For God

put it into their innermost persons to carry out his thought, even to carry out their one thought by giving their royal power to the Satanic political system, until the words of God will have been accomplished. ¹⁸ And the organization of worship whom you saw means the great citizens that have a royal power over the human rulers of the human societies.”

¹⁸ After these things I saw another messenger descending from righteous rule over humankind, with great authority; and the human societies were educated in the meaning of Jehovah's Word and uplifted from his positive judgment. ² And he cried out with a greatly authoritative voice as the Word of God, saying: “She has suffered loss of prosperity while overcome by terror! The entire world empire of false religion has suffered loss of prosperity while overcome by terror, and she has become an actively held opportunity for power of demons, and a lurking opportunity for action of every spiritually unclean disposition and a lurking opportunity for action of every spiritually unclean and hated predatory opportunist! ³ For because of the inebriating crazed behavior of the anger of her mixing religion with earthly politics all the nations have suffered victimized loss of prosperity while overcome by terror, and the human rulers of the human societies committed mixing religion with earthly politics with her, and the retail outlets of the human societies became rich due to the governmental power of her shameless eager desire.”

⁴ And I heard another voice out of righteous rule over humankind say: “Get out of her, those of the general populace who's hearts dearly support me, if you do not want to share with her in her sins, and if you do not want to receive part of her spiritual afflictions. ⁵ For her sins have followed each other as disciples in succession together clear up to righteous rule over humankind, and God has called her evil acts of injustice to be mentioned. ⁶ Render to her even as she herself rendered, and do to her double compensation of a convicted thief as much, yes, double compensation of a convicted thief the number of the things she did; in the personal experience in which she put a promiscuous intermingling, put double compensation of a convicted thief, as much of the promiscuous intermingling for her. ⁷ To the extent that she held such a highly glorious opinion of herself in her own mind and lived in shameless eager desires, to that extent give her public denunciation of her failings, and don't be a fool, take to heart the lesson of her death. For in her innermost person she keeps deluding, 'I sit at the highest level of influence, and I am no city stripped bare, and I shall never be a fool like those who need to take to heart the lesson of death.' ⁸ That is why in short and rapid time span of Jehovah and Christ's judgment and of fulfillment of divine promises her spiritual diseases will come; culminating results of sin, and failure to take to heart the lesson of death, and lack of peace from spiritual starvation, and she will be completely spiritually scorched and wilted with everlasting destruction, because Jehovah God, who by forensic evidence analyzed her, is strong.

⁹ “And the human rulers of the human societies who committed mixing religion with earthly politics with her and lived in shameless eager desires will weep and beat themselves in grief over her, when they look at the ascending prayers of vindication from the spiritually scorching and wilting of her, ¹⁰ while they kept a self-preserving safe distance because of their fear of her publicly denounced failings and say, 'Too bad, too bad, you great citizens, false religion your strong citizens, because in one moment of realization your analyzed forensic evidence has arrived!'

¹¹ “Also, the retail outlets of the human societies are weeping and are not fooled, and do take to heart the lesson of death of her, because there is no one to buy their full stock anymore, ¹² a full stock of materialism and monetary religious gain and precious gems and spiritual values and fine identity and extravagant honors and costly material expressions of love and claim of royalty; and everything in expensive furniture and every sort of imported decorative material object and every sort of object out of most precious ingenious temporary devices and of forged tools and of unbreakable and of white solid foundations; ¹³ also masking garden scents and prayer ingredients and Priestly prayer leading functions and sacrifice preparations and sacrifice ingredients and joy of heart and energy resources and medical care and the best worship-worthy produce and sustenance of life and modes of transportation and religious congregants, and military operations of warfare and four wheeled vehicles and members of the work force and human blood. ¹⁴ Yes, the fine culminating results from previous actions that your life-force desired has departed from you, and all the dainty individuals and the gorgeous individuals have perished from you, and never again will people find them.

¹⁵ “The retail outlets of these things, those who became rich from her, will keep a self-preserving safe distance because of their fear of the public denunciation of her failings, and will weep and mourn, ¹⁶ saying, ‘Too bad, too bad—the great citizens, clothed with fine identity and extravagant honors and claims of royalty, and richly adorned with materialistic ornament and precious gems and spiritual values, ¹⁷ because in one moment of realization such great riches have been financially destitute and lonely!’

“And every NGO think tank and every man that provides labors toward their goals anywhere, and those who help them stay afloat, and all those who make a living by day trading, kept a self-preserving safe distance ¹⁸ and cried out as they looked at the ascending prayers of vindication from the spiritually scorching and wilting of her and said, ‘What citizenry is like the great citizenry?’ ¹⁹ And they threw dirt upon their decision making leaderships and cried out, weeping and were not fooled, they took to heart the lesson of death, and said, ‘Too bad, too bad—the great citizenry, in which all those having radical organizations at surging humanity became rich by reason of her costliness, because in one realized moment she has been financially destitute and lonely!’

²⁰ “Be glad over her, O righteous rule over humankind, also you faithful on earth who will gain a heavenly inheritance and you messengers with orders from Christ and you spokes men for Jehovah, because God has judicially exacted punishment for you from her!”

²¹ And a strong messenger lifted up a weighty stone like a great manufacturing industry and hurled it into the surging humanity, saying: “Thus with a swift pitch will the entire world empire of false religion’s citizens be hurled down, and she will never be achieving her desire again. ²² And the sound of singers who accompany themselves on the joyous ability to melodiously embellish song and prayer and give melody to non-human inspirations and of disproportionately dramatized minor facts and of godly summoners will never be heard in you again, and no architect of any technique will ever be achieving their desire in you again, and no sound of a manufacturing plant will ever be heard in you again, ²³ and no educating in the meaning of Jehovah’s Word of an enlightening force of the holy spirit will ever shine in you again, and no sounds of exaltation of a divine institution

that purports to result in peace and happiness will ever be heard in you again; because your retail outlets were the top-ranking human beings of the human societies, for by your drug pushing all the nations were misled. ²⁴ Yes, in her was discovered the sacrificial death of spokes men for Jehovah and of the faithful on earth who will gain a heavenly inheritance and of all those who have been killed for supporting Jehovah's sovereignty on the human societies."

19 After these things I heard what were authoritative sounds of exaltation of a great group organized for sovereign defense in righteous rule over humankind. They said: "Praise Jah, you people! The salvation, and the positive acknowledgement, and the governmental power belong to our God, ² because his analyzed forensic evidences are true and righteous. For he has executed analyzed forensic evidence upon the great religio-political opportunist who corrupted the human societies with her mixing religion and earthly politics, and he has avenged the sacrificial death of his servants for God during her care and dominion." ³ And right away for the second time they said: "Praise Jah, you people! And the ascending prayers of vindication from her destruction goes on ascending forever and ever."

⁴ And the resurrected anointed brothers of Jesus as kings-priests in heaven organized into priestly divisions and the balanced theriomorphized godly qualities put forth humble effort and upheld the universal sovereignty of Jehovah God who is occupying a heavenly position upon the throne, and said: "So be it! Praise Jah, you people!"

⁵ Also, a sound of exaltation issued forth from the throne and said: "Be praising our God, all you his servants for God, who fear him, the small ones and the great."

⁶ And I heard what was as a sound of exaltation of a great group organized for sovereign defense, and like a sound of groups of humanity, and like a sound of heavy proclamations of Jehovah's great warning. They said: "Praise Jah, you people, because Jehovah our God, the Almighty, has begun to rule as ruler. ⁷ Let us rejoice and be overjoyed, and let us give him the positive acknowledgement, because the honorable union of cooperation established by the God of the Ransomer Jesus has arrived and his supportive relationship has prepared herself. ⁸ Yes, it has been granted to her to be arrayed in a bright, spiritually clean, fine identity, for the fine identity stands for the righteous acts of the faithful on earth who will gain a heavenly inheritance."

⁹ And he tells me: "Write: Happy are those invited to the victory banquet of the Ransomer Jesus' honorable union of cooperation established by God after Jehovah executed judgment on false religion." Also, he tells me: "These are the true sayings of God." ¹⁰ At that I put forth humble effort before his feet treading holy ground praising and upholding his universal sovereignty. But he tells me: "Be careful! Do not do that! All I am is a fellow member of the work force with you and with your brothers who have the work of

exposing evidence of Jesus. Uphold the universal sovereignty of Jehovah God; for the bearing exposing evidence to Jesus is what inspires publicly expressing divine moral teachings.”

¹¹ And I saw the righteous rule over humankind opened, and, look! a pure, clean, and innocent military operation of warfare. And the one occupying a heavenly position upon it is called Faithful and True, and he analyzes with forensic evidence and carries on war in righteousness. ¹² His eyes are sharp and alert tests of Judgment, and upon his decision making leadership are many sovereign statehoods. He has a reputation proven by historical evidence that no one knows but he himself, ¹³ and he is arrayed with an outer valuable protective covering sprinkled with sacrificial death, and the reputation is that he is called is The Word of God. ¹⁴ Also, the armies that were in righteous rule over humankind were following him on pure, clean, and innocent military operations of warfare, and they were clothed in pure, clean, and innocent, spiritually clean, fine identity. ¹⁵ And out of his decisive utterances there issues sharp orders of warfare and execution, that he may strike the nations with it, and he will use legal authority to tend to them with an unbreakable vested authority. He puts ahead selfless interests of divine obedience toward the supreme penalty of execution of the anger of the wrath of God the Almighty. ¹⁶ And upon his outer valuable protective covering, even upon his hard effort, he has a reputation proven by historical evidence, Ruler of human rulers and Lord of lords.

¹⁷ I saw also a messenger signaling preparation due to the prophetic times in the radiant splendor from having been in Jehovah’s presence, and he cried out with an authoritative voice and said to all the predatory opportunists that have news reporters who are always roving for something to report in the same part of the sky that birds fly: “Come here, be gathered together to the absolute destruction of all who are opposers of God, ¹⁸ that you may consume the fallible ethics of human rulers and the fallible ethical parts of military commanders and the fallible ethics of strong human beings and the fallible ethics of military operations of warfare and of those occupying a heavenly position upon them, and the fallible ethics of all, of those independently wealthy as well as of members of the work force and of small ones and great.”

¹⁹ And I saw the Satanic political system and the human rulers of the human societies and their armies gathered together to wage the war with the one occupying a heavenly position upon the military operations of warfare and with his army. ²⁰ And the Satanic political system was caught, and along with it the false spokes man for Jehovah that performed in front of it the symbols which he used to mislead those who received the full allegiance of the Satanic political system and those who render and uphold the illicit Satanic sovereignty of its diplomatic forum. While still alive, they both were hurled into the bloodshed lake that spiritually scorches and wilts with an incinerating source for destruction. ²¹ But the rest were completely cut off with the orders of warfare and execution of the one occupying a heavenly position on the military operations of warfare, which sword proceeded out of his decisive utterances. And all of the predatory opportunists were gorged from the fallible ethics of them.

20 And I saw a messenger coming down out of righteous rule over humankind with the authority to unlock the inactivity and a indissoluble bond in his care and dominion. ² And he seized the Satan as a cunning serpent, the original Satan the Devil, who is the Devil and Satan, and held him immobile for a thousand years. ³ And he hurled him into the inactivity and shut it and sealed it over him, that he might not mislead the nations anymore until the thousand years were ended. After these things he must be let loose for a little while.

⁴ And I saw thrones, and there were those who sat down on them, and governmental power of analyzing forensic evidence was given them. Yes, I saw the blood of those hacked at to conform apart from the exoposited evidence they bore to Jesus and for boastfully claiming about God, and those who had Satanically upheld the illicit sovereignty of neither the Satanic political system nor its diplomatic forum and who had not received the full allegiance upon how they live their lives and upon their care and responsibility. And they came to life and ruled as rulers with the Christ for a thousand years.

⁵ The rest of the spiritually inactive did not come to life until the thousand years were ended. This is the first resurrection.

⁶ Happy and holy is anyone having part in the first resurrection; over these the annihilation without hope of a resurrection has no authority, but they will be instructors about God and about his laws and of the Christ, and will rule as rulers with him for the thousand years.

⁷ Now as soon as the thousand years have been ended, Satan will be let loose out of his prison, ⁸ and he will go out to mislead those nations in the balanced compass directions of the human societies, The Chief leader of the illicit government and those who want to be citizens under the illicit government, are to gather them together for the war. The number of these is as the innumerable shifting instability of the surging humanity. ⁹ And they advanced over the breadth of the human societies and encircled the close-knit city of the faithful on earth who will gain a heavenly inheritance and the beloved citizens. But everlasting destruction came down out of righteous rule over humankind and devoured them. ¹⁰ And the Devil who was misleading them was hurled into the lake of everlasting destruction and the incinerating source for destruction, where both the Satanic political system and the false spokes man for Jehovah already were; and they will be publicly denounced for their failings without a break forever and ever.

¹¹ And I saw a great pure, clean, and innocent throne and the one occupying a heavenly position on it. From before him the human societies and the illicit rule over humankind sought to hide away, and no opportunity for action was their desire achieving for them.

¹² And I saw the spiritually inactive, the great and the small, signaling preparation due to the prophetic times before the throne, and vital information were opened. But another vital information was opened; it is the record of servants to be granted everlasting life. And the spiritually inactive were analyzed by forensic evidence out of those things proven by historical evidence in the vital information according to their deeds. ¹³ And the surging humanity gave up those spiritually inactive in it, and culminating results of sin and graves where humans await resurrection gave up those spiritually inactive in them, and they were forensically analyzed by individual evidence according to their deeds. ¹⁴ And the culminating results of sin and graves where humans await resurrection were hurled into the lake of everlasting destruction. This means the annihilation without hope of a resurrection, the lake of everlasting destruction. ¹⁵ Furthermore, whoever was not discovered in the record of Jehovah's servants to be granted everlasting life, proven by historical evidence, was hurled into the lake of everlasting destruction.

21 And I saw a new righteous rule over humankind and a new human society; for the former illicit rule over humankind and the former human societies had been removed with no reason to ever go back to them again, and the surging humanity is no more. ² I saw also the holy heavenly capital of citizens, the Seat of the new heavenly Kingdom government over the earth, coming down out of righteous rule over humankind from God and prepared as a beautiful united arrangement adorned for her selfless, capable ownership to trust and care take.

³ With that I heard an authoritative voice of Jehovah from the throne say: "Look! The loving hosted protection of God is with flesh-and-blood humans, and he will reside with them, and they will be those of the general populace whose hearts dearly support him. And God himself will be with them. ⁴ And he will wipe out every tear from their eyes, and culminating results of sin will be no more, neither will we need to take to heart the lesson of death, nor outcry, nor be feeling exposed anymore. The former things have been removed with no reason to ever go back to them again."

⁵ And the Supreme recognized ruling authority said: "Look! I am making all things new." Also, he says: "Write, because these words are faithful and true." ⁶ And he said to me: "They have come to pass! I am the only Almighty, the One who finishes what I start. To anyone spiritually thirsting I will give from the cleansing provision pouring out from Jehovah of the revitalizing truths of life free. ⁷ Anyone keeping their Christian identity pure and unspotted will inherit these things, and I shall be his God and he will be my sacred and filial member of my universal organization. ⁸ But as for the those who prominently affect the zeal and endurance of others negatively instead of moving out of the way for those who are ready for deliberate righteous activity and those without faith and those who are deceiving, preferring foreign rule, and holding on to unrighteous customs as if there is no Jehovah and murderers and those mixing religion with earthly politics, and those practicing drug abuse and idolaters and all the liars, their portion will be in the lake that spiritually scorches and wilts with everlasting destruction and the incinerating source for destruction. This means the culminating results of sin."

⁹ And there came one of the Godly complete messengers who had the perfect publicized purposes of the sacrificial temples which were full of the perfect final spiritual disapprovals, and he spoke with me and said: "Come here, I will show you the beautiful united arrangement, the Ransomer Jesus' supportive relationship."¹⁰ So he carried me away in the power of the spirit to a great and lofty political government, and he showed me the holy heavenly capital of citizens, Jerusalem coming down out of righteous rule over humankind from God¹¹ and having the positive judgment of God. Its radiance was like a most precious gem, as a superior Kingdom leadership foundation shining in purity and holiness of transparency in Godliness.¹² It had a great and lofty form of well caring protection even from eminent domain and had a superbly designed organizational arrangement for accomplishing God's eternal purpose of free flows of information and conducting of important business, and at the free flow of information and conducting of important business are messengers of a superbly designed organizational arrangement for accomplishing God's eternal purpose, and reputations were inscribed which are those of the structural segments of the superbly designed organizational arrangement for accomplishing God's eternal purpose made up of the sacred and filial members of Jehovah's universal organization of the Christian congregation.¹³ On the east were legally enforced free flows of information and conducting of important business, and on the north legally enforced free flows of information and conducting of important business, and on the south legally enforced free flows of information and conducting of important business, and on the west legally enforced free flows of information and conducting of important business.¹⁴ The well caring protection, even from eminent domain, of the citizens also had foundation stones of the superbly designed organizational arrangement for accomplishing God's eternal purpose, and on them were the superbly designed organizational arrangement for accomplishing God's eternal purpose's reputations of the messengers who had orders from Christ, the Ransomer Jesus' superbly designed organizational arrangement for accomplishing God's eternal purpose.

¹⁵ Now the one who was speaking with me was holding as a measure a worshipfully pure measuring device, that he might monitor the citizens and the free flow of information and conducting of important business and its well dealing protection, even from eminent domain.¹⁶ And the citizenry rest, balanced by divinely engineered instruction, and it was a very great surface of property, divinely designated and exclusive. And he measured the citizens with the measuring device, an exemplified indefinite number of winning results were due to the superbly designed organizational arrangement for accomplishing God's eternal purpose; its Godly provisions for salvation and worship are providing the same rewards and values to everyone.¹⁷ Also, he measured its well dealing protection even from eminent domain, by common measurement of the entire body of the royal priesthood, according to a man's measure, at the same time a messenger's measurement.¹⁸ Now the structure of its well dealing protection even from eminent domain was a superior Kingdom leadership, and the citizens were pure, worshipfully pure, like transparent glass.¹⁹ The foundations of the citizens' well dealing protection, even from eminent domain, were adorned with every sort of precious gem: the first foundation was superior Kingdom leadership, the second faithful oversight, the third fearless confidence in God's promises, the fourth spiritual productiveness,²⁰ the fifth swift to share God's enlightenment, the sixth using vitalizing truths to produce blessings, the seventh yields vengeance to Jehovah, the eighth heavenly priesthood, the ninth loyalty to God's organization, the tenth voluntary deliverance instructions, the eleventh life saving managed care and protection, the twelfth unselfish sharing in victories.²¹ Also, the superbly designed organizational arrangement for accomplishing God's eternal purpose for free flow of information and conducting of important business were superbly designed spiritual values of the organizational arrangement for accomplishing God's eternal purpose; each one of the free flows of information and conducting of important business was made up of single spiritual

values. And the public domain of the citizens was pure, worshipfully pure, as transparent glass.

²² And I did not see an arrangement for worship in it, for Jehovah God the Almighty is its arrangement for worship, and the Ransomer Jesus is also. ²³ And the citizens have no need of the refined sewage offered as spiritual enlightenment nor of the groups that selfishly influence human affairs to shine upon it, for the positive judgment of God educated in the meaning of Jehovah's Word lift it up, and its enlightening force of the holy spirit was the Ransomer Jesus. ²⁴ And the nations will walk by means of its education in the meaning of Jehovah's Word, and the human rulers of the human societies will bring their positive acknowledgement into it. ²⁵ And its free flow of information and conducting of important business will not be closed at all by day, for adversity or separation from Jehovah will not exist there. ²⁶ And they will bring the positive acknowledgement and the honor in recognition of His higher position of the nations into it. ²⁷ But anything not sacred and anyone that carries on behaviors perverting the socially anticipated morals and a lie will in no way enter into it; only those proven by historical evidence in the Ransomer Jesus' record of servants to be granted everlasting life will.

22 And he showed me a fresh source of guidance and wisdom of revitalizing truths of life, transparent as purity and holiness of God, flowing out from the throne of God and of the Ransomer Jesus ² down the middle of its public domain. And on this side of the fresh sources of guidance and wisdom and on that side there were ones with eternal life producing superbly designed organizational arrangement for accomplishing God's eternal purpose like reaped crops from the culminating results of previous actions, yielding their culminating results from previous actions during each new offering of sacrifice. And the endless uplifting skillful direction and good news of the prominent members were for the curing of the nations.

³ And no more will there be any alienation from Jehovah. But the throne of God and of the Ransomer Jesus will be in the city, and his servants for God will wait on him for directions of work assignments that support God's will; ⁴ and they will see his expressions, and his reputation will be on them by how they live their lives. ⁵ Also, adversity or separation from Jehovah will be no more, and they have no need of artificial light nor do they have refined sewage offered as spiritual enlightenment, because Jehovah God will shed educated meaning of Jehovah's Word upon them, and they will rule as rulers forever and ever.

⁶ And he said to me: "These words are faithful and true; yes, Jehovah the God of the inspired expressions of the spokes men for Jehovah sent his messenger forth to show his servants for God the things that must shortly take place. ⁷ And, look! I am coming quickly. Happy is anyone observing the words of the prophecy of this vital information."

⁸ Well, I John was the one hearing and seeing these things. And when I had heard and saw, I put forth humble effort to uphold his universal sovereignty before the feet treading holy ground praising the messenger that had been showing me these things. ⁹ But he tells me: “Be careful! Do not do that! All I am is a fellow servant of you and of your brothers who are spokes men for Jehovah and of those who are observing the words of this vital information. Uphold Jehovah God’s universal sovereignty.”

¹⁰ He also tells me: “Do not seal up the words of the prophecy of this vital information, for the appointed time is near. ¹¹ He that is doing unrighteousness, let him do unrighteousness for a noted time; and let the filthy one be made filthy for a noted time; but let the righteous one do righteousness for a noted time, and let the holy one be made holy for a noted time.

¹² “Look! I am coming quickly, and the reward I give is with me, to render to each one as his work is. ¹³ I am the only Almighty, the One whose standards determine reward or rejection, the One who finishes what I start. ¹⁴ Happy are those who have been baptized and exercised faith to clean their moral consciences, that the authority to go into eternal life may be theirs and that they may gain entrance into citizenship by its free flow of information and conducting of important business. ¹⁵ Outside are the impudent people with pedophile thoughts and those who practice false worship and the mixing of religion with earthly politics and the murderers and the idolaters and everyone liking and carrying on a lie.’

¹⁶ “I, Jesus, sent my messenger to bear explicated evidence to you people of these things for the congregations. I am the root and the offspring of the inherited Davidic covenant for a Kingdom, and the bright Jesus, who fulfills prophecy.”

¹⁷ And the spirit of God and the beautiful united arrangement keep on saying: “Come!” And let anyone hearing say: “Come!” And let anyone spiritually thirsting come; let anyone that wishes take life’s revitalizing truth free.

¹⁸ “I am bearing explicated evidence to everyone that hears the words of the prophecy of this vital information: If anyone makes an addition to these things, God will add to him the spiritual diseases that are proven by historical evidence in this vital information; ¹⁹ and if anyone takes anything away from the words of the vital information of this prophecy, God will take his portion away from the eternal lives and out of the citizenry of the holy heavenly capital, things which are proven by historical evidence about in this vital information.

²⁰ “He that carries the evidence explaining these things says, ‘Yes; I am coming quickly.’”

“This is true! Come, Lord Jesus.”

²¹ **May the undeserved kindness of the Lord Jesus Christ be with the faithful on earth who will gain a heavenly inheritance.**
